## Editorial

Our accounts are published this month and a summary can be seen on page 80. We thank John Coverdale for auditing the accounts. You will see that we have again made a loss on the year. However that is not currently a problem and we will continue publishing, although we may need to review our advertising rates later in the year. We will also be chasing up those organisations and societies who do not always send in their contributions on time, and sometimes never!

The dreaded GDPR is upon us and like everyone else we need to make a statement about it. So far as readers are concerned, we hold no information of any sort except for those very few to whom we post copies of the magazine. In this case we only hold addresses, which are held securely on a computer. In the case of advertisers we hold names, addresses, telephone numbers and payment details as well as a record of when their adverts have appeared in the magazine. These records are also held securely on a computer. If you want us to change any of this information please get in touch with the treasurer on 480575.

We will make a more detailed statement next month.

Stephen

## CORFE CASTLE PARISH COUNCIL

### JUNE AT THE PARISH COUNCIL

Before the monthly report I have a request. Can you spare an hour of your time? On the first Monday of the month throughout the months of July, August and September volunteers will be meeting in the village Square at 6pm to litter pick the area. The gradual impact is making a real difference and the team would greatly welcome your help. All ages are welcome and equipment is provided, you may wish to bring some gloves.

The June meeting was chaired by the newly appointed Vice Chair Cllr Steve Clarke. Cllr Dragon reported that he had received several reports relating to the removal of a kissing gate at the land near the Pound. No one had any further information and it is thought the land owner needs be consulted. He also reported that several Temporary Event Notice applications had been received for events at Purbeck Valley Farm, the timings of which contradicted assurances received from Purbeck District Council regarding restricting the hours at which events could be held. He clarified that environmental health were being consulted and were mediating with the applicants.

James Gould from The National Trust addressed concerns raised at previous meetings. They assured the Council they are conscious of rubbish and carry out litter picks around the Square following busy periods. Whilst they acknowledge they do attract large numbers of visitors to the village they are not responsible for litter but are very happy to engage with the Parish Council to seek a way forward to improve the problem. The Parish Council have recently purchased new litter bins to replace the old ones throughout the village and hope these will be in place in time for the summer holidays.

James advised that whilst traffic moving through the village Square may have been delayed during re-enactment events in the Square at no point was access prevented. The Trust are liaising directly with parishioners immediately effected by access issues and will notify them of future events. The issue of parishioners receiving no warning of musket fire was also raised. James apologised for this and advised it is something that will not be missed in the future.

The implementation of Norden Park and Ride shuttle services is still in discussion and it was agreed the Parish Council and The National Trust will re-open discussion about alternative points at which passengers may be dropped off. James advised a high volume of volunteers would be needed to run the service. The Parish Council are very determined to see the project realised.

The Council are still in the process of looking at replacements for the two items of gym apparatus in the park. They are looking for a galvanised product that should not rust so quickly.

The Council discussed the prospect of adopting the toilets in West Street. As the provision of toilets is not a statutory function the new Unitary Council the Council have researched the running costs and hope an

## CORFE CASTLE PARISH COUNCIL

agreement may be reached with the District Council in which the residents parking may also be transferred to the Parish Council. This would provide some revenue to contribute to the running cost. The Parish Council on principle feel this could be a way forward but have no guarantee from PDC that they would be able to offer the car park and they are looking at other possible ways to support the provision, perhaps with assistance from local businesses or organisations.

There were several outstanding matters from the Annual Parish Meeting in April; the council felt the cows that were problematic on the common had now settled down and it was noted that the grazier does keep the area in good order. The Council considered whether it would be beneficial to purchase a Speed Indicator Device for the village. They felt that at present as Corfe is one of ten areas in Dorset who receive a SID on a 12 week rota they would utilise this service for now. Should this service stop the Council will look into purchasing a unit, perhaps in conjunction with another Parish. The need to clean the dirty road signs in the village was acknowledged and the Parish Council resolved to liaise with other parishes to see if a joined up approach could be taken to this.

It is proposed that next years Annual Parish Meeting will be a meeting for Parishioners. The Council wish to celebrate all of the excellent organisations and societies that we have in the Parish and the work that they do. Groups will be invited to speak and the format will be less formal.

Last month I reported on several highways matters. We have yet to hear from the Highways Improvement team with a report on how the junction at Station Road could be improved. The Council have agreed to request dropped kerbs some way down Station Road which they hope may encourage pedestrians to cross to use the crossing. They have also put in a request to install bollards in Froggy Lane at the entrance to the West Street car park. The cars parking there prove a real hazard as pedestrians have nowhere to go to avoid oncoming traffic. This will hopefully be installed soon.

There were many reports of petty thefts in the area. The Council are aware that this is an increasing problem and they will be monitoring the areas where the thefts are repetitive. They would also request all parishioners please look out for anything suspicious and if you witness anything report it to the police who are aware of the thefts.

The Council addressed several financial matters. They agreed unanimously to support a grant application from the Community Library which will aid them with their store room project. They have pledged a sum to the Gardening Club who have done a lot of work to deliver a fantastic planting scheme to improve the aesthetic of the area around the West Street Toilets. They have also approved the rejuvenation of the bus shelter at Halves Cottages.

The Parish Council considers planning applications within the parish each month. They had no objection to proposals for the following: A loft conversion, to include the insertion of 4 roof lights, a double dormer window with two Juliet balconies on the rear elevation and a replacement garage and porch at 117 East Street, Corfe Castle. To erect a barn at Land

off New Line, Norden and to take down existing chimney and rebuild, to remove tiles at abutment to neighbours gable wall and fit lead soakers, to replace tiles and provide lead flashing, to hack off and re render gable end at Wissett Cottage, 53 East Street, Corfe Castle.

The August meeting will be cancelled this year however the Council will still be working so please do feel free to get in touch if you have any concerns or queries. These can be addressed by the full Council at the September meeting.

### *You kept it alive!*

On behalf of Robin and myself I would just like to thank all those of you that turned out to man stalls or just support those that were doing so.

Everybody that said that they would come along with a stall turned up on what turned out to be a scorching day. So that was 26 different stalls representing most of the organisations in the village – a truly fantastic turnout!

#### **Well done to you all!**

Admittedly, maybe the weather was too good for some – but all I can do is promise to do some ‘slightly dull but dry weather’ dances for next year.

It was wonderful to see the lower ward packed with activity again, and there was a real buzz about the day. Although some of you didn’t make a fortune it appears that as a whole the event raised between

**£2500 and £3000.**

Clearly there were somethings that could be improved, and we have had a number of helpful suggestion that we can address for next year. If you have anything to suggest feel free to contact either of us to discuss them. Margaret Green are up for running a Dog Show next year and any other ideas for ‘entertainments or demonstrations’ throughout the day will be most welcome.

The “Snapshot in Time” photo is available to view & purchase in The Town House shop.

We hope to see you all again next year  
Robin Swaine (480584) or Peter Smith (480109).

Many thanks

*Robin & Pete*

## NEWS FROM CHURCH KNOWLE PARISH COUNCIL

One Parishioner and five Parish Councillors attended the Parish Council's June meeting in a corner of the main hall at Furzebrook and a Chairman of the Meeting was duly elected. This was supposed to be a "mini-meeting" where Planning & Finance would have been the primary concerns. However, because much of the matters on last month's agenda were deferred till June this was more of a non-mini-meeting.

"Public Discussion" was centred around concerns the attending Parishioner had about a serious road accident which recently occurred along the Furzebrook Road between a car and a tractor leaving the car driver seriously injured. There was discussion about where the blame for the accident lay and the manner in which both vehicles may have been driven, speed limits in Furzebrook Road and signage warning of double bends, etc., Members felt that without accident investigator reports available such discussion on blame for the accident was somewhat irrelevant given that no-one at the meeting had witnessed either the actions of either driver leading up to the accident, or the accident itself. However, the Chairman of the Meeting reminded all that CKPC has been trying to get at least a 50mph (preferably 40mph) speed limit along the road for many years but has been frequently told by Dorset County Council that it's "on the list but there's little in the budget". Discussion then went on to how such a speed limit could be enforced and the general feeling was that it was unlikely Dorset Constabulary would enforce it; Grange road being a case in point where the police had previously said that any speed limit set on that "Le Mans-style speed trials stretch of road" would be difficult to enforce. It was suggested that the Parishioner wrote directly to DCC to express her concerns and CKPC would continue to seek a speed limit. Members felt that pressure should be put on Dorset CC to improve warning signage along Furzebrook Road to inform those driving along it about the serious hazards due to bends etc., this being especially the case because of the number of summer visitors who are not conversant with the hazards of Purbeck roads. The Chairman reminded the Meeting that if Purbeck were to be in a national park (eg the proposed Jurassic Coast NP) we might be able to get a 40mph speed limit throughout our area. It was suggested that CKPC contact the local highways officer but without a road accident report being available discussions could prove futile. "Public Discussion" ended with a final comment from one of the Members to the effect that if people come into the countryside they must take into account the road conditions and the need to work with farming and contractors using those roads.

No-one declared an interest and the meeting then went on to discuss whether or not to have a Parish Council Chairman for the year. They decided to continue in the same vein as before where the Chairman is elected on a rotating monthly basis. As the Chair was to be elected at the start of each meeting Councillors felt that the need for a formal Vice- Chairman on an annual basis was a bit superfluous. Members also decided to postpone discussion of appointing Members to special areas of interest for the year until the next meeting but in the meantime to carry on with the existing responsibilities until then. BUT, that left out the "Planning Lead" because Cllr Bugler had resigned at the previous meeting; it's just as well the Council had no planning applications to discuss this month.

Because only one of the Members present at this meeting was present at the May meeting, the May Minutes couldn't be approved, so this item was adjourned till July. Members then went on to discuss items that had been discussed at May's meeting according to the Minutes which couldn't be approved but they were not officially "Matters Arising". But discussion continued all the same. The Vicar of Dibley would be at home here.

The Rachel's Plantation gravel drive saga came up again and it was decided to formally contact Purbeck District Council and Dorset Highways about the possibility of an unauthorised vehicular access being made onto the highway from the property and also the possibility of an unauthorised development at the site.

Potholes in the roads through the Parish came up again and the Clerk told the Meeting that reports had been made to County whose "Helpline/Telephone Operators" had advised him of the current triaging system employed to assess risk and, hence, expected waiting time for fixing; in the meantime the holes will get bigger and perhaps then become Cat 1 holes!

There were no new planning applications on which to comment and the Meeting quickly went on to hear a report about the progress of discussions with the local Farming & Wildlife Advisory Group with regard to the CKPC Corfe River environmental project and how CKPC and the other two parishes (Arne & Steeple) might be able to ensure the grant monies from Imerys via the Environment Agency come to those areas rather than being spent on projects by Dorset Wildlife Trust outwith Church Knowle, Steeple and Arne. The meeting decided to invite Imerys' management to an extraordinary meeting of the Parish Council before the July meeting to see what could be done.

The heath fire on Creech heath was again discussed and Councillors heard that the will be a meeting to discuss "the way ahead" between CKPC and Swanage Railway. It's hoped that a report will be available for publication in next month's CVN. Watch this space, as they say. In the meantime, our dear reader will be pleased to hear that fire breaks have now been constructed on one side of the railway.

Apart from a few bits and pieces, including a report of a ditch along Furzebrook Road having become blocked due to vegetation and likely to be the source of flooding when the next rains come, that was that for June. Next meeting will be at Church Knowle village hall on 10<sup>th</sup> July beginning at 7:30pm and going on until dear knows when.

Hundreds of people joined the National Trust and our partners to make a hullabaloo about heathland last month (May)

Among the attractions on offer at the 2018 Heathland Hullabaloo were 4x4 heathland safari rides and have-a-go dog agility organised by Dorset Dogs as well as talks on reptiles and forest wildlife and a living fossil walk.

# PRIMARY NEWS

You may have noticed our new banner outside the school. The children and staff are all very proud, as I am sure you can see from this photograph!

We have a very busy end of term planned...

We will be visiting Stratford-upon-Avon with our Year 5 and 6 class, exploring the home of Shakespeare and taking part in a theatre workshop. *En route*, we will be stopping at Cadbury World and on the way back, at Warwick Castle.

Our Key Stage 2 performance is Shakespeare Rocks! The children are thoroughly enjoying learning their lines and all of the songs.

We are all looking forward to our Forest School Grand Opening on Tuesday 24<sup>th</sup> July, followed by a picnic on the school field.

In addition to all of these exciting things, we have got our sports day, Corfe's Got Talent, the Mash Up Music Festival, our end of term church service, our leavers' assembly and many more fun activities.

Kind regards,

Emma Morgan, Head of School

## CORFE & PURBECK HOLIDAYS

**Do you have a property  
that you would like to holiday let?**

We specialise in letting holiday properties around Corfe Castle. We are also looking to expand our portfolio to include all villages, coastal and rural locations within the beautiful Isle of Purbeck.

Letting your holiday home can be both enjoyable and rewarding and we provide owners with a friendly, efficient and flexible service. We offer a letting or fully managed service, both with very competitive rates of commission.

Please telephone or email us for further information. Alternatively, you can call in and meet us at our new office in Corfe Castle and discuss your requirements.

We have a beautiful range of Tregear Pottery from over the water on the Isle of Wight. In fact it was so popular during PAW that we have already re-ordered and they are busy hand-making new stock as I write. Prices from £13.

Sarah Woofenden's pen & ink trees (top) also went down a treat, so we will continue to host a large selection of her work throughout the summer. Prints from £50 mounted and £95 framed.

The Dog & I are a local company which hand-make natural soaps, balms and shampoos for dogs. We now have a range of products including the ever-so-useful De-tangling and Conditioning Spray. Prices from £3.

Despite the limited parking in June we were delighted to have over 30 members present to listen to Michelle Spruce talking about Foot Matters. She started by explaining the difference between a podiatrist and a chiropodist and then continued with how good posture is affected by our feet. A fascinating topic.

Also in our continuing series of inspirational women we were told about Norah Dearsley and her stained glass window in Parliament's St. Stephens Hall.

Dates for your Diary:

3<sup>rd</sup> July - Lush Presentation and demonstration.

7<sup>th</sup> August – Summer lunch at the Millennium Sports Pavilion Please remember to bring your own crockery and cutlery as well as something savoury to share.

4<sup>th</sup> September – Boutique in a Bus at the Millennium Sports Pavilion.

Visitors are welcome to attend any two meetings in the year for a small charge of £3.00. Aquarius usually meets at the Village Hall at 2 pm on the first Tuesday of every month.

### "Namaste", Healthcare Programme to Nepal - April 2018

Purbeck District Nurse Hazel Dent has just returned from a Healthcare Programme to Nepal. Nepal is one of several poor developing countries in the world that faces significant challenges in providing universal health coverage and equitable medical care. It is still struggling with poor access to health care facilities in rural areas and lack of funding for the poor, who cannot afford medication.

This Healthcare Programme was supported by Corfe Castle Surgery who donated Urine Testing Strips. These testing strips were used to screen and detect a wide range of conditions such as diabetes and liver problems. They were an essential part of the screening programme.

Hazel's voluntary work within this programme involved undertaking Health Assessment Clinics in the community, where the urine testing strips were used. Hazel, alongside a team of nurses screened a total of 300 people and were able to identify healthcare needs within these Nepalese communities. Following the clinics, Hazel and the team then carried out Health Promotion/Education Sessions to 140 people including health related skills for the community. This included basic first aid to survivors of human trafficking. Hazel would like to thank Corfe Castle Surgery, who through their kind donation have helped in making a difference to the healthcare needs of communities in Nepal.

### *News from the Castle*

Summer is in full flow now, the flowers are out, and alfresco dining is in!

Friday Nights are still fish nights, but during the childrens' holidays it is too busy to continue steak nights on Thursdays, we have therefore to suspend them until the autumn.

We are however hoping to be hosting our magic Mondays throughout the school holiday period.

So why not come along and be amazed ... fun for everyone.

Hopefully the weather will be kind to us and we can take full advantage of our outside areas including Barbeques and live music in the garden.

Thank you everyone for your continued support and as always we look forward to seeing you.

## Corfe Castle Village Hall

### general news:

The Village Hall bookstall at the May Fair in the Castle made a profit of £86.04.

The 100 club continues to bring in significant funds to support the day to day running costs of the Hall, and now has 83 members.

If you would like to join, please contact Penny on 01929 481477.

The 100 club draw for June takes place after the CVN submission deadline - we will report on it in the August CVN.

### car park update

Apologies to users inconvenienced by the extended complete closure of the Village Hall car park last month. Unforeseen ground conditions under the car park (and yes, a trial hole had already been dug!) showed that the planned soakaway would not work. Our drainage engineer working with Purbeck District Council and Wessex Water has now come up with an alternative plan. The car park should be useable again until the hall closes for building work on July 22nd.

### Aquarius

Aquarius is open to women living within the distribution area of the Corfe Castle Valley News. Our monthly meetings include a speaker, tea and a chat. There are also outings, a summer picnic and a Christmas party. We raise funds for a charity chosen annually by our members, but our main aim is to enjoy ourselves and make new friends. We like to think that we can particularly help those new to the area. Several subsidiary groups offer the chance to enjoy friendship in a smaller unit. We have 3 book clubs, a walking group, a strollers' group and a lunch club, all well attended and much enjoyed.

Got a question? Ask Alex on 07536103364

or

info@pilatesperformancetherapy.co.uk

Hi Alex, I have been recommended to do Pilates by a lot of people, but I don't actually know what it is!

Thanks for your question. Pilates can vary massively based on the instructor running the class and their background. As a Therapist specialising in Massage, I focus my Pilates more on the original principles of Pilates, with an aim to improve 'Core strength', correct poor posture, improve muscles imbalances and increase mobility at stiff joints. We also keep numbers (max 8) small to focus on quality & effectiveness of Pilates.

## Newly Recommended Marine Conservation Zones

On 8th June, World Ocean's Day, Government launched a consultation asking the public for their views about protecting 41 new Marine Conservation Zones (MCZs) in English waters – areas at sea where wildlife is protected from damaging activities. In Dorset, six sites were recommended for possible designation - Portland Deep, Purbeck Coast, West of Wight Barfleur, Albert Field, Studland Bay and Southbourne Rough.

### Why Have These Sites Been Recommended?

This round of designation is about completing the network of MPAs around England. The Dorset contribution includes sites recommended back in 2013, but not yet designated; additional sites needed to cover seabed habitats that were under-represented, and sites recommended for highly mobile species (nesting black bream).

This is fantastic news for the marine environment! We want to ensure that more species and habitats are protected and represented throughout the English network of MCZs. Up until now there have been gaps in this network for particular sediment types. The six Dorset recommended sites contribute to filling these gaps and include species and habitats that deserve increased protection from the potential of damaging activities.

### Benefits of MCZs

Protected sites not only recover or maintain the features for which they are designated but also benefit us! If managed correctly, these sites can be the source of some wonderful and enriching experiences; diving, snorkelling and other recreational sports. Research has shown these activities to have positive benefits on health and wellbeing. In addition, the revenue from these activities and tourism helps to enhance the local economy. However, the benefits are not only recreational; Defra state that MCZs are expected to bring significant benefits to marine biodiversity and productivity, environmental resilience, research and education and climate regulation.

### Here's how you can help

Learn more about MCZs on our website & make your voice heard on the Government's Consultation. Visit [www.dorsetwildlifetrust.org.uk/mcz](http://www.dorsetwildlifetrust.org.uk/mcz) for more information. Please note: the consultation closes on 20<sup>th</sup> July.

Thank you for helping to protect our Wild Seas.

## The Reverend Ian Jackson writes

Recently, I came across something in a novel by Anthony Trollope. He was writing in the nineteenth century and he mentioned the new young vicar who was not proving very popular. One of the main reasons he was disapproved of was because he had introduced a second service on a Sunday, an afternoon service! What we regard as well established practices are often not all that longstanding. We are also reminded that there has always been development and change, and changes do not always meet universal acceptance; this is particularly so in church life.

Recently, changes have taken place in the arrangements for ministry in our local parishes. There are less full-time clergy than there were. Last Summer Gaynor Burrett moved to Wales from Kingston, Langton and Worth parishes. For some time it had been the intention that the next priest for those parishes would be 'House for Duty' - sort of part time. It was thought the best arrangement for our two groups of parishes would be for us to be one benefice with the 2 priests working together and sharing responsibilities. After discussion at each of the 7 PCCs (the 3 mentioned above and the 4 of the then Corfe Castle Benefice) this was agreed. After a period of open public consultation this change came into being. So on April 1<sup>st</sup> the 2 existing groups of parishes which had since the 1970's been the St. Aldhelm Group (a relatively informal way of working together) became the St. Aldhelm's Benefice.

At the beginning of April we were pleased that the Bishop appointed the Revd. James Mercer as the new Associate Minister for the benefice. James is at present the vicar of All Saints, Harrow Weald. He will move to Langton Rectory in September and be licensed on Monday October 15<sup>th</sup> at 7.30p.m. James and I will be working together along with all of us in our congregations. We will have our particular responsibilities but will also be involved throughout the benefice, as appropriate.

I have tried to explain these changes in reasonably straightforward terms but inevitably have had to use some technical terms. So, this is a time of change and it actually brings new possibilities. We can look forward to getting to know each other more across our 7 parishes and we ask God's blessing as we continue to serve him here in ways that are appropriate to the present day.

Ian

## Corfe Castle Congregational Church

I love coming to Corfe Castle, especially in summer as the early morning rays hit the hills and then the trees changing colour in autumn. The drive through Wareham Forest the early morning views of the castle there is so much. And there is so much more to come. I have memories of the Blue Pool from years gone by and I still have not toured the castle (I tried earlier this year, fell cut my leg open and hobbled back to the cottage (what no aahhs!))

It is a beautiful part of the world especially when you live in the inner city. But recently I had a couple of hours to spare and walked around Bristol Harbour taking some time to take some less obvious photographs. Reflections in the water, shadows on steps and the Cathedral reflected in office windows. There really is so much beauty so much of God's creation to step back and admire. And it seems to me we often miss much because we don't have the time, for that I mean *make* the time to admire the beauty on our doorstep, to look beyond the obvious to see the intricacies of nature the wonder of our world.

We have more time saving devices than ever before (Mr Google, Mrs SatNav, Master Microwave and more), yet it seems we have less time than ever before to enjoy the world around us. Just this week I was in conversations about plans for Christmas (!!)

But at the beginning of time even God himself took a day, the seventh day to rest and throughout all His creation took the time to look and say, 'It is good.' (Genesis 1)

Therefore inviting people to events may seem like a contradiction, creating something else to do. But what we try to do is create a place for busy people to have space, to be, to talk, to make friends and through some of our future events (photography days) to see the and admire the wondrous world around us.

Each month now we run Café Plus: a monthly, informal gathering or service held at 6pm doing different things each time from in May exploring Africa, June reflections from the Holy Land to Chocolate Church in July. Each month we have Cabin Crafts and Chat, a space to have free refreshments,

have a go at whatever crafts you fancy and just creating space to chat.

From this month we start our Cabin Classic Cinema.

We will be showing an old classic, the golden oldies each month, again with free refreshments as an opportunity to come together, have some space and just sit and do nothing but enjoy a good old classic film.

And this is of course on top of our normal services where you are free to come and go as you please. (In the coming weeks we have new members service and a sea baptism planned)

It would be lovely to see you at any of our events, but even if we don't we pray that over the coming days, weeks and months you will be able to find the place, time and space to be still, to stop and to enjoy the wonderful world the glorious creation all around us. After all even our God took the time!

### **Coming events at the Cabin and Church.**

**8<sup>th</sup> July @1030pm:** What a day! Starting with a service by the Bible Society and welcoming a new member into the church to 2pm and a baptism in the sea.

**12<sup>th</sup> July @2pm:** Cabin Crafts and Chat

**15<sup>th</sup> July @6pm:** Café Plus is 'Chocolate Church.'

**19<sup>th</sup> July @2pm:** Cabin Classic Cinema

## SPRING HARVEST 2018.

One of the delights of Spring Harvest is the chance it gives to observe the human zoo. Many of the children use scooters to move around. Very disconcerting were the little children, some hardly more than knee-high, whizzing about on the scooters well below eye line at great speed and threading through adult legs. Actually the only scooter collision I saw was between 2 teenagers who managed to collide head-on. They apologised profusely, made sure the other was OK, apologised again, and went on their ways. More generally teenagers seemed to move around in little single-sex (“single-gender”?) flocks of about half a dozen. I wondered how many of them were relishing an environment in which they did not have to worry about straying into the territory of a next-street gang. Older people seems to move around in church groups or families – in all sizes, shapes, ages, skin colours, and all at ease with each other. The ducks of Minehead were present as usual but perhaps fewer and less vocal than in some previous years; and outnumbered by the seagulls.

The daily Bible study gatherings focused on the epistle of James. The speaker was the principal of a theological college and there were times when it showed – too much theology and not enough verve and inspiration. Applause for her but no standing ovation. Most scholars believe that this James was the eldest of Jesus’s brothers (he had 4 and at least 2 sisters). This James was not an active follower during Jesus’s ministry but became the acknowledged leader of the followers of Christ in and around Jerusalem after the crucifixion. The epistle was apparently written in the mid-40s A.D. as a circular to tell the followers (not yet “Christians”) what they should believe: that Jesus was the long yearned-for Messiah (though not quite as they had expected him); and how they should live: life style was to be based on the Jewish law as Jesus had preached it – “love God...” and “love your neighbour...”-- stripped of a bureaucratic overlay prescribed by the religious authorities which was as complex as that imposed nowadays by the Ministry for Administration in Whitehall or by the European Union. They considered themselves Jews but no doubt the Jewish priestly authorities, who also acted as the secular administration under the Roman imperial overlordship, regarded them as heretical fools, perhaps as the Anglican Church regards Jehovah’s Witnesses, with the difference that as the secular authority the priests could jail them or have them executed. It was about this time that Paul was developing his mission to the Gentiles, mainly in what are now Turkey and Greece; and it

was being revealed to him that Jesus’s death on the cross was a once and for all sacrifice for everybody’s sins and the limitless cycle of animal sacrifice in the Jerusalem Temple was redundant.

The theme this year was “Only the Brave”. Everyone has now heard of Cambodia’s Killing Fields of the 1970s. A few years ago a survivor of these appeared at Spring Harvest. “I’ve seen the film, read the book, and now met the survivor. Beat that”. This year we did. One evening we saw a video clip of a mass baptism by total immersion in the sea of Iranian converts to Christianity. The ecstatic joy on their faces was startling, as was the information that the clip had very limited circulation. If the Iranian authorities seeing it recognised any of those appearing they would be seized by the religious police of the Ayatollahs. (There was a book for sale at the bookstore entitled “Too many to Jail” explaining that Iranians are converting to Christianity faster than the religious police can round up and jail them!).

Even more amazing was the appearance of a little lady, of uncertain age, looking a bit battered but beautifully dressed, bowing formally and politely to everyone. She is a Christian from North Korea where even to be a Christian is a serious offence and where Christians dare not share their faith even with husbands or wives or children. The president Kim Jong Un is worshipped as a god, rather like a god-king from some ancient civilisation, as were his father and grandfather before him. To worship any other deity is close to blasphemous; which perhaps explains why the little lady’s Christian husband had been tortured to death for his beliefs. Her eldest son had been one of about 3 million people (about 12% of the population) who died in the mass famine a few years ago. She had twice escaped into China and been sent back; she had served, and survived, as most don’t, a three-year prison sentence for being a Christian in a camp in conditions quite as appalling as those at Dachau or Stalin’s gulag; where she set up a church with 5 others meeting to pray silently and sing silent hymns in the latrine block; and on her release had escaped yet again into China and this time got away to South Korea to join her surviving children who had got out separately. That’s bravery. She was interviewed with the help of an interpreter. No photos or recordings were allowed during her appearance and I cannot give her name because of the risk to members of her extended family still in North Korea. At the end we all, several thousands of us, sang “Amazing Grace” led by this astonishing little lady singing in Korean.

### Corfe Castle Gardening Club

June's meeting was spent at Holme for Gardens. We enjoyed a tour led by Simon Goldsack. He not only showed us and told us about what is there now, with the huge numbers of plants, shrubs and trees carefully selected and planted to a cleverly conceived long term plan, he also let us share something of the vision that he and Liz have for the future.

I was bowled over by the perception ( knowing the land, what will and won't thrive there, what will co-habit happily and mutually enhance each other.....), the planning ( the vision to conceive of the whole as an outcome and working towards it in stages that produce something to enjoy now - while still preparing for the next phase), the planting ( hundreds of plants, mainly grown on site, providing interest through the different seasons plus many unusual trees), and, finally, the performance area - a grassy amphitheatre with a row of lofty Poplars as a backdrop. This is Gardening on the grand scale!!

I haven't been paid to advertise, promise! But if you haven't visited the gardens lately I recommend a trip - and keep going back to enjoy watching and sharing in the developments

As I write we still have the Open Gardens Day to look forward to, more of which in next month's report.

July's meeting takes the form of a day trip to Cannington Gardens on the 5th. If you forgot to book contact Fiona now in case there are spaces.

I must end this month on a sad note. As many in the village will know Diana Dru Drury lost her bravely fought battle with cancer mid month. Diana and Stephen are founder members of the current CC Gardening Club and have been great supporters, opening their garden and joining in meetings, trips and outings. We shall miss Diana's bright, bubbly presence and our thoughts and prayers are with Stephen and their family.

Enjoy your gardens and treasure their beauty, treasure also the beauty of family love and friendship.

*David*

### Harman's Cross Movie Night

On 10 July we're showing The Greatest Showman at 7.30 in Harman's Cross Village Hall.

We don't often show musicals at Movie Night so for those of you that loved La La Land, our next film is Hollywood's latest big top extravaganza, a musical biopic of nineteenth century entrepreneur and circus master, PT Barnum. So roll up, roll up to see Hugh Jackman, who plays Barnum, belting out songs rather than beating up villains as Wolverine. Orphaned, penniless but ambitious and with a mind crammed with imagination and fresh ideas, Barnum was a man with a gift to blur the line between reality and fiction. Coming from a poor background he was hungry for success and managed to open a wax museum but soon shifted focus to the unique and peculiar, introducing extraordinary, never-seen-before live acts on the circus stage. His wide collection of oddities attracted a great deal of criticism and was labelled a freak show. Despite the protests and poor reviews he attracted large audiences prompting him to rename his venture Barnum's Circus. Searching for ways to further his reputation and appeal to a high-brow audience, he gambles everything on the opera singer Jenny Lind, thus losing sight of the most important aspect of his life: his family. Will he risk it all to be accepted? Tickets £5 on the door, which will open, along with the bar, at 7pm.

### Langton Arthouse Cinema

In August we're screening I Am Not a Witch on Wednesday 1 at 7.30 in Langton Matravers' Village Hall. Director Rungano Nyoni's debut feature film, a satire-cum-tragedy set in modern-day Zambia, is about a nine-year-old girl accused of witchcraft and exiled to a witch camp under threat of being turned into a goat if she escapes. Bizarre I know but this is a story told in the present. (Witch camps are settlements that give refuge to women accused of being witches. They are most prevalent in Ghana). Shula is an orphan accused by the superstitious members of her village. She's thrown into a camp populated by old women tethered by ribbons to giant reels, (one of the many surreal images in this film). As she navigates her way through her new life with her fellow witches, a government official sees her economic potential and exploits her innocence for his own gain. She must decide whether to accept her fate or risk the consequences of seeking freedom. I am Not a Witch is a clever, funny, and provocative film which will linger with you long after its credits roll. Tickets £5 on the door, which will open at 7pm. Glasses will be supplied should you wish to bring your own drink with you. If you would like to see trailers for this and future films visit [www.LangtonArthouseCinema.co.uk](http://www.LangtonArthouseCinema.co.uk).

### 'Melodies for Memories'

Music has proven to be beneficial for retaining memory in later life.

'Melodies for Memories' is an informal and fun music group for anyone who enjoys music, and who is affected by memory.

The group is led by someone who has experience of using music to benefit people with memory difficulties, and the group will give people with memory loss and their families/carers, the opportunity to meet others who share an enjoyment for music. You **don't** need to be able to sing or play any instruments.

The sessions will include a range of music activities that benefit people who are affected by memory loss, including: basic memory exercises, singing along to popular and familiar songs, watching musicians performing, film clips, fun quizzes and much more! **Tea, coffee and treats included.**

### When and where are the sessions?

### Corfe Castle Common Management Committee

#### Annual Public Meeting - 2018

**in the CORFE CASTLE CLUB (upstairs room)**

**at 7 pm on Tuesday, 10th July**

**OPEN TO ALL**

This is an opportunity to learn more about how the Common is managed and to put forward your own views.

**A Guided Bat Walk** will be held after the AGM, in the hope of spotting some of the wealth of bat species to be found on the Isle of Purbeck.

Do you have any photographs, paintings or illustrations of the Common? The Management Committee would like to stage a small exhibition to show 'Corfe Castle Common through the Ages' and would welcome your illustrations. These can be scanned (for use by the Committee only) and the originals returned to you.

To find out more, contact Fiona Hewitt on 07973 827573 or [fionahewitt@live.co.uk](mailto:fionahewitt@live.co.uk).  
Juliet Glover, Secretary, 480320

Stephen Dru Drury and family would like to thank everyone who has sent condolences and supported them at this very difficult time. The amazing support from so many has been a great comfort. Thank you to everyone.

Diana's funeral will be at St Edwards Corfe Castle on 5<sup>th</sup> July at 2.30 pm. She will be buried in God's Acre.

### Corfe Castle Local History Group

Anyone interested in the local history of Corfe Castle is welcome to attend the history talks for 2018. A donation of £1 would be appreciated to help with the upkeep of the Town Hall. The talks will be held on the 3<sup>rd</sup> Tuesday of the month in **The Town Hall at 2pm** on the following dates:

**July/August:** The Summer Exhibition in The Town Hall: Schooling in Corfe Castle Parish. Exact dates to be announced later.

Dr Andrew Norman will sign copies of his book "Corfe Remembered"

**18 September:** Norden and its landscape

**16 October:** Ecclesiastical Court Records for Corfe Castle: Gossip of the day 1625-1746

**20 November:** A history of Boar Mill

Break for Christmas

**15 January 2019:** The Calcraft Estate – its beginnings

### Corfe Castle Local History Group

### **Best In Purbeck Celebrates Outstanding Customer Service**

The Best In Purbeck Awards, now in its fourth year, is gaining momentum. The Awards showcase the very best in Purbeck produce, events, bloggers, attractions and eateries and encourage members of the public to vote for their favourites each year. New for 2018, the Awards, sponsored by Dorset Cottage Holidays, are inviting anyone and everyone to nominate their Customer Service Hero.

So many members of the Purbeck community rely on local tourism for their living, whether this is seasonal or all year round. When visitors come to Purbeck, it is not only the fantastic attractions they experience, it is our way of life and our culture. A friendly face, or someone going that extra mile makes sure they have a memorable experience here! A fantastic example of customer service heroes is the Swanage Tourist Information Centre who won Gold at the Dorset Tourism Awards last year – except we want to focus on outstanding individuals!

We are all ambassadors for Purbeck. And now, anyone and everyone who encounters members of the public in their daily duties can be nominated for a Best In Purbeck Customer Service Hero Award.

#### **Who can nominate?**

We're not just looking for holidaymakers' responses here. As long as you have a Facebook account, you can submit a nomination via the [Best In Purbeck poll](#), easily accessible on the Best In Purbeck Facebook Page. We'll ask for a little bit of a background story – what's your reason for nominating them? The poll then invites you to vote for your top choice in six categories – there's even space for your 'other' suggestions if you can't see your favourite.

#### **Who should I nominate?**

We want to know if your best friend is an unsung hero with a permanent smile on their face, if your mum consistently puts in 100% behind the till or if your uncle is the world's funniest waiter ever. Now's your chance to give them the recognition they deserve! All businesses in Purbeck with a customer service element are eligible.

#### **How is my vote counted?**

Each individual nomination will be judged on the merits of the background story and a mystery shopper will visit our top ten to whittle down the list!

#### **When will the winner be revealed?**

1<sup>st</sup> December is the big day – get your nominations in now!

### **Purbeck International Chamber Music Festival**

**30 August - 2 September 2018**

2018 is set to be the biggest year yet for PICMF. The idea of journeying and a sense of coming home has inspired our artistic director Natalie Clein and this year's programming.

The Festival begins with one of the most intense and moving of all musical journeys, Schubert's Winterreise. Programme highlights will include the beauty of Mahler's Wayfarer songs in the chamber music version arranged by Schoenberg, the joyous Beethoven Septet and the all-time favourite chamber music piece of many, Schubert's A major piano quintet 'The Trout'.

Interspersed throughout the festival, Syrian Oud player and singer Ibrahim Keivo will bring his unique voice and soul to the programmes. He will be joined by historian Philip Mansel who will give a lecture on Aleppo.

The Festival marks the 70th birthday of a highly respected British composer Brian Elias with a new commission and screening of premier of the film made by Barrie Gavin about Brian's life and work.

The spoken word is also an important part of the Festival and we have actor Rory Kinnear joining us this year.

Masterclasses will also take place during the Festival weekend. See website for details.

### Harmony Rocks Choir

The weather has had a couple of practices for summer and we have been practising hard for our summer concert too. Our Songs and Scones concert this year will take place on the Wednesday afternoon of the 4th July (America Independence Day) at Harmans Cross Village Hall. Doors open at 2pm for the performance at 2.30pm. Tickets are £7.50 which includes a cream tea. Our charity raffle will be in support of the Swanage Bandstand Appeal and choir funds.

As usual this is a ticket only entry event. Please book early to avoid disappointment as we are limited on numbers and tickets sell out very quickly. Tickets will be available from mid June from Sue on 477148 or Anne on 288325 and choir members.

There will be new songs and old songs and a sprinkling of favourites to sing for you and we are really looking forward to your company at our annual summer “party”.

### 1<sup>st</sup> CORFE CASTLE RAINBOWS

It is with great sadness that we have to announce that the Girlguiding Unit of Rainbows, for girls aged

5 – 7 in Corfe Castle, has had to close due to lack of leaders.

It is such a shame because Girlguiding gives young girls the opportunity to develop their skills and personalities on their own terms, in a safe and caring environment.

Rainbows provided a lot of fun and laughter and showed the girls that in these days of emancipation

**‘Girls Can’**

The Rainbow Unit was set up by Judith Jenkins 22 years ago and had much help and support from several other local people, notably Jill Revans who after Judith, continued to run it with the same dedication.

Jodie Hutchins took it on 18 months ago but after a year had to give up due to work changes.

Tracy Crickmore, our Purbeck Division Girlguiding Commissioner carried on temporarily in the hope that someone would come forward to lead, but as nobody has I am afraid the Unit has had to close.

**Corfe Castle Brownies still continues to give girls great opportunities.**

If anyone wishes to take up the reins of the Rainbows again or get involved with Brownies we would be very pleased to hear from you.

**Please contact [warehamandwooldistrict@gmail.com](mailto:warehamandwooldistrict@gmail.com) or ring Clare Walker (District Commissioner) on 01929 761092 for more information.**

**Growing a Dementia friendly community in Corfe Castle**

On the 12 July 2018 Corfe Castle will embark on a new and exciting journey to grow a Dementia Friendly Community in Corfe Castle. It will be launched at 2pm at the Corfe Castle congregational church

It will be a long journey, but these are the first steps towards that goal.

To that end I would like to appeal for your help in making this happen. If you feel you can contribute to this process, please do get back to me.

If you would like to train as a dementia friend, there will be a session at the church on the 12<sup>th</sup> July at 3pm. The dementia friend's awareness session lasts for 1-hour.

There are 3 key aims that will shape the vision of growing a dementia friendly community. These are

- To raise awareness and understanding of Dementia in the Corfe castle Community
- To Create a safe and non-stigmatising community where older people with dementia can live well
- To create an environment where the carer and or older person with dementia can seek appropriate help and support

Do pop in and together we can begin to grow a dementia friendly community in Corfe Castle

## Royal Voluntary Service 80<sup>th</sup> Anniversary Volunteer Dolly Campaign - Calling all Knitters!

The Royal Voluntary Service is calling all knitters to take part in a knitting challenge to make a collection of special volunteer dollies to mark Royal Voluntary Service's 80<sup>th</sup> anniversary.

The finished dollies will be sold with the aim of raising vital funds to support the work of Royal Voluntary Service in our area.

The fundraising challenge is being supported by loveknitting.com who have donated some of the wool, and knitting groups from across the country are encouraged to take part.

The dollies are knitted in Royal Voluntary Service colours, using a pattern specially crafted and donated by knitting designer, Claire Fairall.

Maria Jacobson, Service Manager for Dorset Home Library Service, said: 'We are delighted to get involved in this knitting challenge for our 80<sup>th</sup> anniversary. We love knitting, so it is great to use our skills to raise funds to support our work locally. Not only that, but recent evidence suggests knitting is beneficial to a healthy mind and body. The volunteer dollies are really special and the pattern is fun to work from. After some of our volunteers commented: 'They are lovely, but why are they not smiling?' we decided to add a special Dorset smile – you can see the result!'

Royal Voluntary Service, originally founded in 1938 as the Women's Voluntary Service, was formed by Stella Reading to help recruit women

into the Air Raid Precautions movement and assist civilians during and after air raids and help evacuate children. Since then the charity has evolved to tackle some of the biggest social challenges of the day and has inspired more than three million ordinary men and women to give their time to help others.

In 2018 Royal Voluntary Service is as relevant as ever and continues to inspire and enable people to give the gift of voluntary service to meet the needs of the day. Today, that's principally helping people as they age live healthier and happier lives and supporting the NHS.

Royal Voluntary Service has 25,000 dedicated volunteers, who help thousands of people each month in hospital, at home and in the community. From taking an older person to an appointment and serving tea in a busy NHS hospital to popping in to see an older person just home from hospital and running social activities for isolated older people, these volunteers do simple things which make a big difference.

Here in Dorset we provide the Home Library Service: it is available free of charge to anybody who cannot easily get to their local library, and books and talking books are chosen and delivered every 3 weeks. Not only does it provide a regular supply of individually chosen books, but also a very welcome visit by a trusted volunteer. To find out more or apply to receive the service please contact Maria Jacobson (details below).

All proceeds from the sales of the dollies will go to support the work of the Royal Voluntary Service in our area. To get a free knitting pattern please contact the local office on 01305 236666, or e-mail [maria.jacobson@royalvoluntaryservice.org.uk](mailto:maria.jacobson@royalvoluntaryservice.org.uk). You can also contact us to find out more about our local services, volunteering with Royal Voluntary Service, or to make a donation.

### Kimmeridge Keilidh

Come and join us for our next Barn Dance with Arish Mel & caller Paul Miles, and interval songs from the lovely Gilly Kemp. Friday 6<sup>th</sup> July in the new Kimmeridge Village Hall. 7.30pm – tickets on the door £5. No bar – bring your own drinks & nibbles!

\*\*\*\*\*

This summer, Miracle Theatre unpacks Chekhov's bittersweet comedy about a once-wealthy family, whose idleness and extravagance have brought them to the brink of bankruptcy. Obstinate and self-absorbed, they are deaf to the rumbling of change which surrounds them, and unable to accept help when they need it. Will it take a revolution to destroy their cosy world of privilege and entitlement – or will their own stupidity be enough?

Bill Scott's new adaptation treads a tragicomic tightrope, bringing out all the humour and pathos of Chekhov's masterpiece which, more than a century after it was written, is as popular as ever.

*An Open Air Performance by Cornwall's premier touring theatre.*

**Saturday 4<sup>th</sup> August – Kimmeridge Bay**

**Bar & BBQ from 6.30pm – Bring a chair or rug and torch**

#### CREATING A PDF FILE OF YOUR ADVERT

When creating your advert in Microsoft Word you need to go to "Save as" and then under "Format" select PDF from the dropdown menu. In Apple Pages go to "Export to" and select PDF. Please remember to include the name of your company or organisation in the name of the document.

Then simply email your completed advert along with how long you would like to advertise for to [corfevalleynews@tiscali.co.uk](mailto:corfevalleynews@tiscali.co.uk) and send your payment as follows: Payment should go to John Courtney at Stonewood, Calcraft Road at the same time as you submit copy or via BACS to the account shown at the bottom of the page. All

Addresses and Phone Numbers are on page 3. If you are not submitting by email please leave a copy in the Post Office (The Village Stores) or in the CVN box at 55 East Street.

Word documents can be submitted but it will be necessary to create a PDF file from these formats and they often **DO NOT reproduce as expected when printing.**
