## **Editorial**

The clocks have changed and we enter the time of long winter evenings. Halloween is just over as we approach Christmas and leave behind what has looked like a record year for visitors. Purbeck has seemed, at times, to be totally full, with no car parking space left. What, if anything is to be done? Answer, not much; the new Dorset Council, which is being set up, will not have elected members until May next year so no firm decisions can be taken till then. Once set up it will probably take at least a year if not more to settle in and there still won't be any money. However, not wanting to be too pessimistic, the traders and pubs have hopefully done well out of record numbers of visitors.

The CVN is always looking for volunteers to help with its production. If you would like to help in any role do please get in touch with one of the people listed on page 3.

Stephen

## CORFE CASTLE PARISH COUNCIL

### OCTOBER AT THE PARISH COUNCIL

The October meeting was attended by six members of the public. Prior to the meeting the Council had held an open door session where those interested in being a Parish Councillor could come and ask questions about the role. Thank you to those who attended. Should anyone have wished to find out more about the role but missed the event you are very welcome to contact the Clerk who can send you information regarding being a Parish Councillor. Nominations for election are not due until late March 2019 so there is still plenty of time.

The meeting opened with a member of the public speaking in objection to a planning application to upgrade a field track between Lower Scoles Farm and Kingston Road with a hard surface. He was concerned about the environmental impact and the impact on the AONB. A second parishioner requested that the no cycling sign be re-instated at the top of Oli Vyse Lane; cyclists are using the narrow lane and this is a danger to pedestrians. The National Trust, who were present, are going to investigate what happened to the original sign and agreed to meet with the Parishioner.

Cllr Brooks reported success with a Policy Development Panel she had been working on. The panel aimed to highlight the long term effects of short term budget cutting decisions, such as the use of black top to repair pavements in the conservation area as we have seen in Corfe Castle. The Councillor's report has been accepted by Council and a budget of 1.7million has been allocated for this financial year, there should also be a provision in the new Council's budget for next year. Pro-Active Maintenance Units will be instated; they will be a direct point of contact for Parish and Town Councils to address highways problems immediately, so please report any problems to the Clerk should you find them.

Cllr Dragon had attended the inquiry into the ferry toll. He praised the Parish Councils Chairman for his succinct delivery of evidence. He reported that the ferry company had in the summing up presented some new evidence stating revised tolls and is hoping the inspector will not take this forward. Cllr Morrison Wells advised he felt this was the case and that the new evidence would not be considered.

It was reported a meeting had been held between a County Council officer and a local farmer regarding a proposed footpath and cycleway from Norden Park and Ride to Castle View. The farmer is agreeable to the idea but would need a separate track for his cows. Cllr Dragon noted the estimated cost for the project is in the region of £600,000 and whilst the potential funding from Perenco would address some of the cost there will be a significant sum to raise.

## CORFE CASTLE PARISH COUNCIL

The National Trust reported they have recently completed a tree survey of all the trees along the nature trail; when they have the results to this the National Trust will look at cutting back the overgrown hedge which is restricting visibility outside of Oli Vyse lane, as requested at the September meeting. They also noted that the parking outside of the garage at Uvedale will be restricted from the 19th of November. The Trust will be contacting residents directly about the parking and they will be publishing their own notice in the Corfe Valley News.

You may have noticed No Parking signs at God's acre. These are intended to prevent pedestrians having to walk into oncoming traffic around parked cars and the Council hope they will have some effect whilst highways look at other solutions.

Cllr Clarke reported a decision was just announced that the merger of Devon and Cornwall Police Force with Dorset, which was strongly opposed by the Parish Council, would not be going ahead. The Police and Crime Commissioner for Devon and Cornwall is currently not minded to support the proposals.

At the September meeting the Council agreed terms under which they would be happy to adopt the asset of the toilets and residents car-parking spaces from Purbeck District Council. In response PDC resolved that they would not proceed with the transfer of the toilets and car park to the Parish Council unless the Solicitor to the Council was able to secure agreement from the Parish Council to accept a transfer on the previously agreed terms. In light of this the Parish Council discussed agreeing in principle to open negotiations over the heads of terms. If the Parish Council do not adopt the toilets it is likely they may close. They will be transferred to the new Dorset Council and the provision of toilets, which is no longer a statutory service, cannot be guaranteed.

Councillors highlighted that the toilets should not be adopted at the cost of the rate payer, particularly because the provision is largely for visitors. Members felt very strongly that the precept should not be raised to fund the provision and that the idea of inviting local businesses to help with the cost must be explored. The National Trust have agreed to help on principle but only if other businesses contribute. It was acknowledged the toilets and parking spaces would not be an 'asset' as in the event of them becoming economically unviable they would be transferred to the Unitary Authority, and in fact running the provision could be a liability.

It was raised that there was a danger entering into the adoption of the toilets without any reserve as the PC would need to account for damage and repairs.

It was ultimately decided that negotiations should continue so the Council resolved to express the intent to adopt the toilets on principle whilst looking

## CORFE CASTLE PARISH COUNCIL

further into the valuation and seeking other means of revenue to support the running of the toilets.

The Parish Council considers planning applications within the parish each month. They had no objection to proposals for the following: a two storey rear extension at Townsend Road, Corfe Castle. To change the use of an outbuilding to holiday accommodation at Woolgarston Cottage, 1 Sandy Hill Lane, Woolgarston. A single storey extension and insert rooflight at The Annexe, Greystone Court, Langston Road, Kingston. The approval of openings between bedrooms on the first and second floors, removal of existing stud walls and formation of 4 bathrooms for 8 letting rooms (retrospective) at The Banks Arms Hotel. To replace 18 existing windows & 4 french doors at Bartholomews, Corfe Castle and to rebuild southern most chimney stack to existing dimensions, lining of flue with lime mortar and inserting flexible steel liner at 74 East Street, Corfe Castle.

Full minutes of the meetings are available in Corfe Castle library or on the Website ([www.corfecastlepc.org.uk](http://www.corfecastlepc.org.uk)). [\*Sometimes elsewhere.]

The next Parish Council Meeting is on the 12<sup>th</sup> November at 7.00pm in the Town Hall.

### Where are we on the West Street Toilets?

Regular readers will have seen that the Parish Council has been considering for several months whether we should take over the toilets in West Street. The block was recently refurbished by Purbeck DC and is well used. Under local government reorganisation the block would transfer to the new Dorset Council.

However the new Dorset Council has no statutory duty to provide toilets and there have been indications that the new Council would cease to fund all toilets if the current financial crisis for Dorset continues. As libraries, the youth service and rural bus services have already been cut this seems to be a real threat.

The Parish Council believes our much-visited village needs toilet provision and we have therefore negotiated with Purbeck DC to take them over from next April. We have been able to secure an exceptional arrangement to

## CORFE CASTLE PARISH COUNCIL

receive the income from the resident's car parking spaces, which will cover most of the running costs. We believe that we should be able to qualify for small business rate relief for the toilets and car spaces and there would then be no cost to local tax payers.

However we can only apply for a new valuation once we own the toilets and so there is a financial risk if the valuation office rated the toilets and car spaces in an adverse way.

If that happened there could be a significant financial gap. We would then consult the village, local businesses and the national Trust about how we could close any gap or whether we hand the toilets back to Dorset Council together with the car parking.

The Parish Council will consider the issue again at its 12 November meeting.

## ARMISTICE CENTENARY 2018

1. **Tommy For Corfe** At the time of writing donations received have been excellent and with monies still to come we should just cover the costs. MANY, MANY thanks to all those village organisations and individuals for their very generous support.

By the time you read this Tommy will be surrounded by 35 wooden Poppy Crosses. Our Village School children have named and placed one cross for each fallen WW1 serviceman. We are most grateful for the school's help and support.

2. **Big Poppies For Lampposts** Although ordered in late August we have just heard that regrettably there are no more available this year. We will get some for next year.

3. **Remembrance Day Services.** As detailed in last month's CVN the service in Corfe will start at 11 am in the Square with the 2 minutes silence. We will then continue our normal service in the church followed by the procession to the War Memorial to lay our wreaths. The Tyneham service will be as usual at 3pm in Tyneham church.

4. **Village Beacon** You will all know that throughout the country over 1000 beacons will be lit at 7pm on Sunday 11th Nov to commemorate Armistice Centenary Day. Our Beacon will be one of these, it will be located on Challow Hill and will be visible from the Village Square.

Many thanks George

### Corfe Castle Primary School Remembers

It was a beautiful sunny afternoon as several Corfe Castle Primary School children helped the Corfe Castle Branch of the Royal British Legion commemorate the Armistice Centenary. Thirty-five wooden poppy crosses were planted by the children around our Village "Tommy" who stands proudly on St Edward's Church lawn with Corfe Castle in the background. The children dedicated each one with the name of one of the 35 village servicemen who died in WW1.

Chairman of the Corfe Castle Branch RBL, Major George Preston said, "We are all delighted with the support from our School and all the Village for this Centenary project."

We were kindly supported by our local MP Richard Drax, DCC Cllr Cherry Brooks, PDC Cllr Nigel Dragon, our Rector Ian Jackson and School Chair of Governors Mrs Lara Manningham-Buller.

## NEWS FROM CHURCH KNOWLE PARISH COUNCIL

There was almost a full complement of Councillors at the meeting held in a small corner of the huge sports arena, also known as Furzebrook Village Hall, on 9<sup>th</sup> October. Two Parishioners also turned up to take part in local democracy. Apologies were received and accepted from one of the Councillors who was unable to attend.

Following election of the Parish Council for October (Cllr Derek Burt), the Minutes of the July meeting were at last approved; there being three Councillors present who were also at July's meeting. However, one shouldn't be complacent about Minutes of Meetings being approved. Guess what? Yes, dear reader, there were only two Councillors present at the October meeting who were present at the September meeting so September's minutes couldn't be approved, amended or otherwise. The draft September minutes were held over until November. And because of all this, as there weren't any approved Minutes there couldn't be any discussions on "Matters Arising from the September Minutes". Oh, Happy Days!

Anyway, to business. It was decided that the "Special Interests" held by the Councillors in matters such as Highways, Cemetery Liaison, Police Liaison, Tree Works, etc., should continue as during 2017-2018. Two Councillors were also appointed to act as "Planning Leads" as well. Talking of "Planning", it was quite a quiet meeting as far as that part of Parish Council business was concerned. There were no planning applications in for discussion and in "Past Planning" matters, the Clerk gave a report on a minerals application which had been previously been approved by PDC but was still awaiting clearance by DCC.

During the agenda item on Highways, the Council was pleased to note that there has been lots of hedge cutting in Creech and congratulated the local farmer in his good work. There has been progress in getting fingers made for the East Creech and Cocknowle crossroads fingerposts which had had the previous ones amputated some time ago. It was also reported that the remedial work on the road and ditches, etc., in the vicinity of Green Pond was also just about complete; all congratulations to the team at Dorset Highways and their local highways engineering technician for sorting it out. On an even more substantial note, the road bridge over the stream which marks the boundary between Corfe Castle and Church Knowle parishes at Glebe House has now been completely repaired and it now looks like a bridge than road subsidence; indeed, several Councillors who had lived in the area for 50 years plus didn't even know there was a bridge there until the road started to fall away. Now they know there is one and the parapets have been superbly rebuilt. Although there was a temporary road closure and, later, traffic lights to protect the bridge builders from lunatic motorists and "Winabago" drivers while the work was being carried out, Councillors felt that it was very well worth the short-term inconvenience. Well done again DCC. The bridge was even opened ahead of time to reduce inconvenience for the late Rodney Parker's funeral (see last month's CVN).

The world we live in should always be in balance, so it must be with "Highways". The good news has been given and now here's the bad. It was reported that the road opposite Keeper's Cottage & Creech Barrow Cottage in East Creech is collapsing at its shoulder and a large pot-hole in the road between East Creech and Cotness was getting larger and larger. The Clerk would report the matter to DCC. There's always work to do.

The accounts were agreed to and invoices paid.

The Clerk reported that he had completed the administration work on the conversion of the legal title of the ownership of the cemetery after having visited the Weymouth equivalent of Fort Knox, also known as the Weymouth Land Registry Office. Currently, CKPC held the cemetery in "Title in Possession", something it had held for 12 years. Now that 12 years was up the possessory title could be and by the time this edition of CVN is published would be converted into Absolute Title. In other the cemetery is "all theirs" as far as the Parish Council is concerned.

The Corfe River project was discussed and a report on the "river walk" by CKPC, the Environment Agency, Dorset Wildlife Trust (DWT) and others was given. On this subject, there will be a talk at 7pm on 4<sup>th</sup> December at Bucknowle Farm to be given by Amanda Broome of DWT. All are welcome. The Parish Council would like to hear from anyone who has old photos of what the upper reaches of the Corfe River looked like years ago and bring them to the Bucknowle Farm meeting or let Cllr Page have copies so that CKPC and DWT can get more info on the river.

During the period for discussion towards the end of the meeting the matter of yet another heath fire, probably caused by ash/sparks from Swanage Railway steam trains, came up. The Clerk advised the meeting that under the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations, such a fire would be a "Dangerous Occurrence" and must be reported for investigation by the enforcement authority (in this case the "ORR"- previously known as the Railway Inspectorate) by the Railway company. Members asked him to contact the ORR and express their concern about the fires which they felt were far too frequent. He would also contact Swanage Railway to express concern of the Council. Members were advised there would be a railway liaison committee meeting on 19<sup>th</sup> October which would be attended by at least one of the CKPC Councillors.

And that was that for October.

Next meeting will be at Church Knowle Reading Room on Tuesday 13<sup>th</sup> November at 7:30pm.

**Do you have a property  
that you would like to holiday let?**

We specialise in letting holiday properties around Corfe Castle. We are also looking to expand our portfolio to include all villages, coastal and rural locations within the beautiful Isle of Purbeck.

Letting your holiday home can be both enjoyable and rewarding and we provide owners with a friendly, efficient and flexible service. We offer a letting or fully managed service, both with very competitive rates of commission.

Please telephone or email us for further information. Alternatively, you can call in and meet us at our new office in Corfe Castle and discuss your requirements.

## Corfe Castle Surgery

This year at our first flu clinic in September, we held a Macmillan coffee morning and raised an amazing £269.61, it was a great success and we will be repeating this again at the next flu clinic. Thank you for all your support for this worthy cause.

Just a reminder our next flu clinic will be on:-

**Saturday 3<sup>rd</sup> November between 9am and 12pm**  
**This clinic is for over 65 and 'At risk group' including children aged 2 and 3 'as at 31.8.2018.**

Please come and see us in-between these times; there is no need to book an appointment. As there is a fast turnaround of patients at the flu clinics, the car park can get very busy so please remember that the public car-park is 50p for 30 minutes – bring some change just in case. If you are unable to attend this flu clinic please telephone the surgery to book an appointment after this date.

### Prostate Awareness

**7.00pm on Thursday November 29<sup>th</sup>**

at

**Corfe Castle Village Hall.**

Howard Thomas, a retired professor of medicine and member of the Surgery PPG, will talk about prostate cancer and all prostate conditions. Please come along to hear what he has to say and to ask questions about cancer symptoms and treatments, benign problems, prostate testing and to share your experiences.

## Corfe Castle Surgery Patient Participation Group

We had a good meeting of the Patient Participation Group (PPG) on 27<sup>th</sup> September with plenty to discuss and with activities to arrange. There is now a small notice board in the surgery dedicated to PPG matters – please have a look and tell us what you think about it.

The last flu jab session of the year is on Saturday November 3<sup>rd</sup> at the Surgery. There will be another Macmillan coffee morning then so do come and support it if you can.

An informal talk on prostate awareness has been arranged for 7.00pm on Thursday November 29<sup>th</sup> at Corfe Castle Village Hall. Howard Thomas, a retired professor of medicine and member of our PPG, will talk about prostate cancer and all prostate conditions. Please come along to hear what he has to say and to ask questions about cancer symptoms and treatments, benign problems, prostate testing etc and to share your experiences. Prostate problems are common but not much talked about. You are all most welcome on the 29<sup>th</sup>. This will be the first of three talks as Howard has kindly agreed to give talks on liver problems and safe travel next year.

Have you considered ordering your repeat prescription medicines via SystemOnline if you are not yet doing so? It is far easier to do than you might think (the author of this speaks from experience!). If you would like help with the computer side of setting it up and placing your first online order don't hesitate to ask at the Reception Desk where one of the receptionists will be very happy to help you. You will soon find it quick and easy. It also helps the Dispensary. Talking of the Dispensary, the dispensers are still struggling with too many last-minute requests so if you can remember to give them 48 hours' notice it is greatly appreciated.

Please keep the feedback coming. We are always glad to hear from you and take everything you tell us into account.

The National Trust has reaffirmed its commitment to ensuring future generations can continue to enjoy natural healthy beaches in Studland following the formation of a beach hut users' group at South Beach.

We want beach huts to stay at South Beach for as long as is feasible, and we would welcome all beach hut owners becoming

involved in conversations about the future.

South Beach, like neighbouring Middle Beach come under a Shoreline Management Plan — an agreement between local authorities, the Environment Agency and landowners including the Trust.

The plan sets out how each stretch of coastline will be managed and is designed to avoid a piecemeal approach whereby management practices in one area can have unintended consequences elsewhere.

For South Beach and Middle Beach the policy is one of managed realignment until 2025 and no active intervention thereafter.

This is consistent with Shifting Shores, the Trust's national coastal management plan, which recognizes that coastlines are subject to constant change and seeks to work with natural process rather than against them.

Managed realignment means a gradual shift away from relying on hard defences to hold back nature.

Instead, the action of the wind and waves is allowed to reshape coastlines in a way that is natural and far more sustainable in the long term.

That means outdated gabion sea defences at Middle Beach and South Beach will be removed as they reach the end of their lives and it is no longer feasible to maintain them.

At Middle Beach this is already starting to happen and the Trust sits on a working group including community representatives about how to remove the gabions while maintaining existing facilities in new locations nearby.

At South Beach gabion deterioration is generally less advanced and there is no immediate need to plan for their removal, though the situation is under constant review.

Minor repair work has been carried out on the gabions at South Beach over recent years and this will continue for as long as it is feasible to maintain them in an acceptable condition.

We took the same approach at Middle Beach where minor repairs were carried out until it was clear they were no longer effective.

It is not possible to say exactly when the South Beach gabions will reach that point, but the Trust employs a specialist contractor to carry out regular assessments.

Our ultimate goal, as with all the coastline we look after, is to maintain a healthy and natural environment which provides a home for wildlife and can be enjoyed by everyone.

Ann Fielder, a magistrate of over 20 years experience, gave us some fascinating insights into this historic role. The first magistrates were created as Justices of the Peace, a term still in use, in 1361 under the reign of Edward the Third but it was not until 1919 that we saw the first female magistrate.

All criminal cases start in a Magistrates Court and may then be moved on through the judicial system. This means that a very wide variety of cases will be considered. The maximum penalty a magistrate may hand down is 6 months imprisonment. Three magistrates sit together on the bench for a sitting and each must do a minimum of 26 sittings per annum. The role is voluntary and unpaid; no formal qualifications are required but training and advice is given. An applicant will be interviewed and must demonstrate the right qualities for the work, such as being of good character, having sound judgement and social awareness.

Ann explained to us how sentencing is approached in a structured way and gave us examples of the types of case that come up regularly, challenging us to consider what sentence we would have brought. We appreciated Ann's clear presentation of a role in our society of which we are all aware but of which most of us knew very little.

#### Dates for your diary:

### *News from the Castle*

November is here, dark evenings and dreary days? ... Not at The Castle; with the warm glow of our log fire, the fairy lights covering the entire ceiling and cascading down the walls, giving the whole place a warm tingling feeling.

**Wednesday** nights are now **Stew and Casserole** nights throughout November. A warm tasty supper from only £5.95.

We are pleased to announce that **Steak Nights** are back on **Thursdays** throughout November.

Our annual **Tapis Night is on Thursday 15th November**, some spaces still available at time of writing, but please note we are unable to do steak night that evening.

We really believe in the magic of Christmas, so if you're looking for a Christmas party, why not let us look after you? If you have not seen it, do pop in and pick up our Christmas brochure. We are really going for it this year ... for **every** party of 10 or more people someone will go home with a luxury **Christmas Hamper**. Not to mention that it's magical Christmas Crackers this year!

This New Year's Eve we are hosting a French evening with a 4 course meal and a genuine French singer 'Erica' who is travelling from Normandie especially for the occasion. £27.95 per person limit spaces remaining. Please call in for menus or phone to discuss bookings.

Thank you all for your support and we look forward to seeing you soon.

### developments news:

Have you seen the changes inside the main hall yet? The ceiling and lighting have been changed and the walls have been repainted. We are hoping in due course to secure the funding for new curtains which will better complement the new colour scheme. Trustees would welcome any comments on this.

The scale of the extension is now becoming increasingly evident as blockwork and stonework are added to the exterior. Roofing work on the new structure has been started. By the time the November CVN is issued, work should already have started on replacing the existing cloakroom facilities. This obviously means that the old toilets will not be available, temporary toilets will be available while this work is being carried out. The work to upgrade gas and water connections to the hall has been re-scheduled for the start of December.

Trustees continue to work on bids to external agencies for funds to fit out the extension and improving the kitchen. We are grateful for a £1000 grant from Hall & Woodhouse's Community Chest.

High quality food produced and reared at our farm near Corfe Castle.

Coming in November

• Fruit bushes / trees for sale. Blueberry bushes plus discounts available for 3 or more raspberry, gooseberry, blackcurrant, redcurrant, apple, grapevines or cobnut trees.

• December: Cut and potted Christmas trees.

OPERATION CHRISTMAS CHILD.

Operation Christmas Child is a worldwide scheme to provide Christmas presents to very poor children who would not otherwise receive anything at Christmas. Amongst other places where parcels are delivered are countries in Africa, and countries in the very poor areas of Europe such as Bosnia, Serbia, Romania, Moldova, the Ukraine, and possibly Greece. There is a large and efficient system, much of it based on Christian churches, to collect presents, transport them to their destinations and distribute them to the children who really need them.

Corfe Castle Primary School has been involved in Operation Christmas Child for several years.

Parcels consist of a number of small presents fitted into a shoebox. Boxes may be packed with presents suitable for a boy or a girl within one of three different age ranges. Leaflets will shortly be available which explain very clearly the sort of presents which are suitable, and those which should not be included, and how to package them and prepare them for dispatch. A donation is requested to cover the costs of collection transport and distribution. Suggested amount £5.

This year members of the congregation of St Edward's Church will be coordinating the collection of boxes within the village.

Boxes collected in England are normally moved by truck to Eastern Europe. Parcels for Africa are collected in the USA and moved there by ship. Because of the time that it takes to collect up boxes and move them to their destination boxes have to be ready and collected in early November at the latest.

For further information, and to ask for a leaflet, please contact:

## CHURCH OF ENGLAND

*Church Sketches by kind permission of Ron Burniston*

**The Reverend Ian Jackson writes:**

Corfe Castle Primary School came to church for their Harvest Service shortly before the half-term holiday and as usual this was a challenging, moving and inspiring occasion. The theme for assemblies and R.E. has been 'thankfulness' and we heard about the work which had been done about 'blessings'. In the short prayers the children spoke of the blessings they experience: sport figured quite a lot, but so too did friends, family and support, and appreciation of the area where we live.

The service and its theme was very appropriate in view of what was to follow. The Key Stage 2 pupils (ages 7 to 11) had written the names of all those from the Parish of Corfe Castle who died in the First World War on small wooden crosses. One by one the 35 crosses were hammered into the ground around the 'Tommy' who stands in a prominent position in the churchyard.

Here was another moving moment as the children from the school helped to remember the local people who had served. It was poignant to recall that those who had been involved and died were not so much older than the older schoolchildren. It had been, and continued to be, inspiring to see the liveliness and thoughtfulness of the pupils.

Our hope as we remember this very special centenary is surely that we can all play our part, whatever our age, background and circumstances, in ensuring that all people can live together in harmony and free from need. This a constant and endless task. We can easily grow weary. The enthusiasm and passion of the young is a great inspiration for us – no less now, than in time past. Christian people seek to renew faith in God's good and loving purposes. Many others – of other faiths, or no obvious faith – share in all of this too.

We will all have our own reflections as we pass the many reminders of this special anniversary and hear and read about it. The simple display in the churchyard at Corfe Castle, and the way it came about, speaks very clearly for us in this place.

## HARMANS CROSS VILLAGE HALL – NOVEMBER AND DECEMBER EVENTS

### MOVIE NIGHTS

**November 13<sup>TH</sup>** – “Lean On Pete” - A performance of remarkable depth, candour and vulnerability by rising star Charlie Plummer lies at the heart of this terrifically moving feature film. It blends timeless American myths with pinpoint portrayals of modern urban hardship, as its lonely teenage lead heads east from Oregon with a horse on its last hurrah. Take tissues.

**December 11th** – “Spitfire” - harking back to an age when Britain laid claim to ruling waves and air alike. This documentary, released to mark the RAF’s centenary, bolsters its honourable core project – preserving the testimony of former Spitfire pilots – with material guaranteed to spike the pulse rates of aeronautical enthusiasts: footage of surviving Spits being wheeled out of museum storage; yards of scratchy combat film that underline how distant these halcyon days are; nuts-and-bolts analysis of the planes’ defensive strengths.

### STALLS IN THE HALL

### **The Elephant in the Room**

It is a mystery why people look to the heavens but if we think seriously about life for a moment, there is a huge elephant in the room called 'death' which will eventually stomp on us all. When we realise this, it makes sense for us to see if there is any way we can avoid being stomped on. This is why many people become interested in God, the giver of life. For some it takes longer than others to give it serious thought, but as their peer group around them die, it makes them realise that they also have a problem. A big one at that. It is an issue everyone begins to think about, but few people talk about.

The most sobering time for many of us is when we are on our deathbed. It is in those last moments that we tend to open our hearts and expose our fears. Let us think about these fearful last words of some famous people: Queen Elizabeth the First of England whispered, "All my possessions for one moment of time." The famous composer Ludwig van Beethoven cried, "Too bad, too bad! It's too late!" Thomas Hobbs (a famous 17th century English philosopher) said, "I am about to take my last voyage, a great leap in the dark." Socrates, another classical Greek philosopher, said, "All of the wisdom of this world is but a tiny raft upon which we must set sail when we leave this earth." If only there was a firmer foundation upon which to sail, perhaps some divine word. Bob Marley, the musician said 'money can't buy life'. Humphrey Bogart said 'I should never have switched from Scotch to Martinis'.

There is an answer to these worries. It's the Bible, but so few look at it. The famous humanist Aldous Huxley said, "It is a bit embarrassing to have been concerned with the human problem all one's life and find at the end that one has no more to offer by way of advice than 'Try to be a little kinder'."

These are the last words of Napoleon: He said, "I marvel that where the ambitious dreams of myself and of Alexander and of Caesar should have vanished into thin air, a Judean peasant 'Jesus' should be able to stretch his hands across the centuries, and control the destinies of men and nations." He also said, feeling sorry for himself, "I die before my time, and my body will be given back to the earth." Such is the fate of him who has been called the great

Napoleon. What a phenomenal difference between our deep misery and life in the eternal kingdom of Christ!

That "abyss" is the separation made by sin. The moment you repent and trust Jesus Christ it will disappear, and you will come to know the One whom the Bible says is "life eternal."

These are serious things to think about.

*"For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life."* John 3:16

### Corfe Castle Gardening Club

If you have received your CVN on the 1<sup>st</sup> of the month then – “**Tonight’s the Night!!**” - . The Club meets upstairs at the Corfe Castle Club at 8pm (collect a drink from the bar on your way if you wish), our speaker is from the Gardening Team at Kingston Lacy, one of our local National Trust properties.

Will those members who have kindly volunteered to help with the planting for the CCLBP [Corfe Castle Loos Beautification Project] please watch for emails with days and times for the work. The plan is to get it all done Monday / Tuesday 5<sup>th</sup>/6<sup>th</sup> November with a final burst/tidy up on the Wednesday if needed.

Our meeting on 6th December is the Christmas Dinner. The bookings are all in, now all you have to do is remember what you ordered!

We plan to publish an outline of our 2019 programme in the December issue of CVN.

2018 has been a funny old year in gardening terms. The things we have tried to grow have been as confused as we have about the seasons. Some have benefitted, others have suffered. Nowt we can do about t’weather so let’s concentrate on getting the ground cleared and prepared, the Spring flower bulbs planted (in time to flower to greet Meghan’s baby) and the winter washing and pruning done. The rest is out of our hands, but we can still enjoy what does grow, and surprises can be fun!!

*David*

### Harman’s Cross Movie Night

On Tuesday 13 November we’re showing *The Bookshop* at 7.30 in Harman’s Cross Village Hall. This film is adapted from the novel, shortlisted for the Booker, by Penelope Fitzgerald. Semi-autobiographical, it’s about an amiable young widow, Florence, who comes to a remote coastal Suffolk town in the late 1950s, buys a dilapidated property there and enterprisingly converts it into a bookshop. She makes a success of it, largely by stocking Nabokov’s *Lolita*, thus incurring the envious displeasure of a local grande dame, who wanted the property for a self-aggrandising arts centre. She tries to nudge Florence towards switching sites, to a soon-to-be-vacated fishmongers instead. Most of the

townsfolk become complicit in forcing her out, except Mr Brundish (Bill Nighy, a hot favourite with our Movie Night groupies), whose letter-writing to Florence sets the stage for a sympathetic alliance. A film that neatly depicts postwar Britain’s cold war of generation and class. Tickets £5 on the door, which will open, along with the bar, at 7pm.

### Langton Arthouse Cinema

In December we’re screening *Isle of Dogs* on Wednesday 5 at 7.30 in Langton Matravers’ Village Hall. This film is absolutely nothing to do with that small island in the Thames. It’s about a diseased community of unwanted dogs, dumped on an island off the coast of a dystopian future Japan. It is director Wes Anderson’s first feature film since *The Grand Budapest Hotel*, and reunites him with stop-motion animation nearly a decade after making *Fantastic Mr. Fox*. Using the voices Bill Murray, Jeff Goldblum, Scarlett Johansson and Yoko Ono, among others, Anderson creates a completely handmade world, gorgeous to look at and packed full of intricate detail. The film revolves around a young Japanese boy, 12-year-old Atari, who embarks on an odyssey to search for his missing pet, Spot, who has been sent to the island. This remarkable boy flies in a stolen plane on a sensational mission to rescue Spot where he is helped by a ragtag crew of outlaw hounds. Like all of Anderson’s work *Isle of Dogs* is very stylised, offbeat and characterised by its dry and ironic humour but at the same time dealing with some weighty themes such as ethnic cleansing, fascism and corruption. Tickets £5 on the door, which will open at 7pm. Glasses will be supplied should you wish to bring your own drink with you. If you would like to see trailers for this and future films visit [www.LangtonArthouseCinema.co.uk](http://www.LangtonArthouseCinema.co.uk).

### **“The Penny Loaves of Corfe Castle” By Louise Haywood**

*This newly published book is the first complete study of the history of  
The Corfe Castle Charity.*

Based on years of archival research by local historian Louise Haywood, it documents the centuries old bequests of land and property which form the basis of the modern charitable trust. On the way, it corrects many misunderstandings and fills in countless gaps in the record. A unique and invaluable study of the history of a Dorset institution which has housed and supported so many families and individuals in times of need.

## **Citizens Advice Purbeck Taking Advice to Rural Communities**

You may be aware that Citizens Advice Purbeck is your local charity providing free, confidential and impartial advice on a wide range of topics to residents. Whilst many people access our service via drop-in sessions in Wareham, Swanage, Bovington, Upton and Lytchett Matravers, we are seeing increased referrals for those who find it hard to get to these outreaches and require home visits.

As a result, we are trying to raise additional funds to support a specialist adviser to visit people disadvantaged by isolation, poverty and disability in Purbeck.

### **How can you help?**

To find out more about the project, visit [www.purbeckadvice.org.uk](http://www.purbeckadvice.org.uk) or write to us at Mill Lane, Wareham BH20 4RA, and spread the word.

If you are able to support this work with a donation between midday Tuesday 27<sup>th</sup> November to midday Tuesday 4<sup>th</sup> December, your donation will be doubled by money already pledged, meaning we can do twice as much.

Thank you – your help can make a huge difference!

### **Pioneer view**

I write this Corfe valley news contribution on the same day as the Prime minister appoints a minister for suicide prevention.

At any one time, a sixth of the population in England aged 16 to 64 have a mental health problem, according to statistics body NHS Digital. Whether it is family or friends, neighbours or work colleagues, the chances are we all know someone who is affected. I am sure we all know someone who has suffered or is suffering from a mental health problem.

It is a core theme and action of the Growing Compassionate communities' charity to reach out and provide a compassionate response to marginalised groups as well as promoting inclusion, challenge stigma and grow hope in communities.

As part of our vision in Corfe castle and the Purbecks we plan to open a centre of excellence in Corfe castle to serve the Purbecks providing a compassionate response as well as a doorway to help and support to families and those people who wrestle with mental health challenges in our local communities.

As someone who has worked in the psychiatric field for over 17 years as well as training as a psychotherapist I have witnessed the ravages of mental ill health first hand. These experiences motivate me to make a difference in communities and broken lives.

Together as community we can make a difference. Go well

Peter Jones - Pioneer minister Chair: Growing Compassionate Communities Charity

### 'Melodies for Memories'

Music has proven to be beneficial for retaining memory in later life.

'Melodies for Memories' is an informal and fun music group for anyone who enjoys music, and who is affected by memory.

The group is led by someone who has experience of using music to benefit people with memory difficulties, and the group will give people with memory loss and their families/carers, the opportunity to meet others who share an enjoyment for music. You **don't** need to be able to sing or play any instruments.

The **sessions** will include a range of music activities that benefit people who are affected by memory loss, including: basic memory exercises, singing along to popular and familiar songs, watching musicians performing, film clips, fun quizzes and much more! **Tea, coffee and treats included.**

#### When and where are the sessions?

#### **It's Time To Think About Christmas**

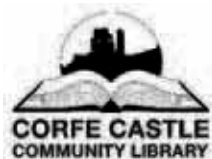

Preparations are well under way at St George's Church, Langton for another traditional Christmas Tree Festival. Over the past two years we have been supported by many visitors who have come to relax in the tranquil atmosphere of our beautiful church filled with trees all lit up and decorated by our local businesses and groups. Last year we raised £1000 which was shared between two local charities. This year we are supporting Heroes Haven and Mosaic, a charity supporting bereaved children, two very worthwhile causes, and hope to raise even more money but we can only achieve this by getting the trees sponsored, so if you wish to promote your company or group or just wish to place a tree for yourself all it takes is £25 to cover the cost of the tree and a little bit of time on 30 November to decorate. The festival will be on the 1-2 December and the trees will still be in place for the Langton lights up service on 4 December after which the tree will then be yours to keep for the Christmas period. For more information please contact Sandy (01929 424431) or you can download an application form from our website [www.purbeckhillsbenefice.wordpress.com](http://www.purbeckhillsbenefice.wordpress.com).

## Hearing Dogs for Deaf People Paws

Despite the atrocious weather on Saturday 22nd September we were overwhelmed by the number of people who donated in advance if they couldn't attend in person, made cakes and came along to support us, including a hardy bunch of Nordic Walkers who had been out in the deluge for some time before stopping in for a reviving hot coffee and cake. Not forgetting Charlie for brightening our garden with his dahlias. Added to this we were immensely pleased by the number of local businesses who donated raffle prizes including Love Cake (an irresistible chocolate cake), Lucy's Farm (Moo Selfie mug and tea towel), Swanage Steam Railway (family

ticket) and Purbeck Ice Cream (two tubs!). I couldn't have done this without the support of husband Keith and my friend Sara with her husband Ian and daughter Elizabeth with friend Emily who were absolute stalwarts on the day. And the end result? A fantastic £426 - so a massive thank you to everyone who supported us, we feel truly blessed and this will go some way to help another deaf or hard of hearing person achieve a life-changing partnership like me and my unique Elmo, pictured above.

## Kimmeridge News

### Welcome

To Harriet who has finally moved into No 24 all the way from Steeple.  
We hope you'll be very happy living in the village.

### Smedmore Open Day

As you'll know we had to cancel this because of the very wet weather  
that weekend – even though it did dry up for Sunday afternoon, parking  
on the wet grass would not have been good and anyway the decision  
had to be made on Friday. As a result we did not make any losses – the  
toilet hire firm was very understanding and Philip very kindly donated  
some donations he had from people who turned up anyway, for whom  
he did tours. We were able to cancel all the scones etc.

### Kimmeridge Keilidh

Come and join us for our next two Barn Dances raising money for the  
Etches Collection and the children's playground on Friday 16<sup>th</sup> Nov and  
Friday 21<sup>st</sup> Dec in the new Kimmeridge Village Hall. Both at 7.30pm –  
tickets on the door £5. No bar – bring your own drinks & nibbles!

### Dates for your Diary

**Monday 3<sup>rd</sup> December** Bingo in the Village Hall at the Etches  
Collection.

This popular annual event will be taking place again and needs your  
support! Please come! We need bingo and raffle prizes – please deliver  
to Rose Clarke or Nick before the day or to the museum (leave in the  
kitchen) on the day. Doors open 7pm, Eyes down 7.30pm.  
Refreshments provided. See you all there!

There will be other events in December: lighting of the Christmas Tree  
Lights followed by mulled wine and nibbles, date tbc, also the annual  
Nativity service on Christmas Eve.

## Unlock the equity in your home

Want to travel the world, make those long-overdue home improvements, help children or grandchildren on to the property ladder, or pay off an interest-only mortgage?

If you're a homeowner aged 55 or over, a Lifetime Mortgage could help your dreams to become reality.

With a Lifetime Mortgage you could borrow up to 50% of the value of your property without selling your home, with the loan only repayable upon death or if you move in to long-term care.

And with a 'no negative equity' guarantee there's no risk of leaving a debt to your family.

For friendly and expert advice contact Liz Murley on 01202 622223

A Lifetime Mortgage is a loan secured against your property. To understand the features and risks please ask for a personalised illustration. Apex CB Financial Planning Limited is authorised and regulated by the Financial Conduct Authority and is a member of the Equity Release Council.
