## Editorial

There is a lot happening in local government over the next couple of months. First of all the new Dorset Council is formed on the first of April. When this happens the district councils will disappear, and there will only be two levels of local government within Dorset. In our case that means the Dorset Council and the Parish Council.

As a result there are elections both for the new Dorset Council and for the Parish Council. The Dorset Council will be elected along political lines and leaflets will come through our doors quite soon. The Parish Council is not elected on political lines, but it does need to be a competent council as it is the next layer of government below the Dorset Council. A competent council will have more power than one which is not. To be competent a council needs to have a qualified clerk, which we do, and it needs 2/3 of its members to be elected. In the case of the Corfe Castle Parish Council that means eight members need to be elected either by a ballot if there are more nominations than the required 11 members or by nomination if there are less than 11. All elections are on 2 May and nominations need to be in by 3 April. Elsewhere in this edition of the CVN there is information about how to stand for election.

Stephen

## CORFE CASTLE PARISH COUNCIL

### FEBRUARY AT THE PARISH COUNCIL

Trevor Parsons attended to represent Swanage Railway. He reported that from Friday the 22nd to Tuesday the 26th of March the Flying Scotsman will be coming to Corfe and running a daily service between Norden and Swanage. The Railway are anticipating a potential attendance of 2000 passengers a day. For the fifteen days following the long weekend the Flying Scotsman will be a static exhibition in the sidings at Corfe Station.

This will be the first time since the 1970's that the Pullman Observation Car and the Flying Scotsman have been in operation together, this last happened in America and the £90 tickets for an hour on board (with champagne and canapés) sold out within five days! Other tickets are still available.

Concerns were raised about public footpaths getting congested; Trevor reassured the council the Railway had been liaising at length with the Police in preparation for the event. There will be specific marshalling on the Castle View crossing and Police will be at Afflington to prevent parking on the highway.

Kate and Mark Kinkead spoke on behalf of Natalie Cline and the Purbeck International Chamber Music Festival (PICMF) who had submitted a grant application for consideration. The festival aims to bring first class international musicians to Purbeck for the enjoyment of residents, both children and adults as well as holding specific events for children and where possible hosting workshops in local schools.

County Cllr Brooks reported that she had attended the Shadow Council Executive Meeting. There are no major issues with the Local Government Reorganisation which will come into effect on the 1st of April 2019. There was a forthcoming budget workshop, following which the budget will go to full Council to be ratified. A key feature of the budget for the new Dorset Council is Council Tax harmonisation. Purbeck currently pays a comparatively high rate of tax to other areas of Dorset so residents will only see a very marginal increase due to inflation. North Dorset will see a much higher increase as historically their Council Tax has been comparatively lower than Purbeck's.

Residents should see little difference in the functions of services when the new Dorset Council takes place of Purbeck District Council on the 1<sup>st</sup> of April. Existing services can be contacted on the same phone numbers and bin collections and other services will operate just as they have before.

A recent programme regarding potholes, featuring Dorset County Council's Highways team, had highlighted that the extra money pledged by DCC was making a difference and Dorset was tackling its potholes. Cllr Brooks had worked hard to make this money available through a Policy Development

## CORFE CASTLE PARISH COUNCIL

Panel and it was good to hear the results of the PDP were making a difference.

Cllr Dragon reported that Purbeck District Council considers it unlikely that the contracts regarding the transfer of the toilets and car parking spaces will be completed prior to the 31st of March. Purbeck District Council have outsourced to an external Solicitor. If this is the case it will delay the transfer and The Dorset Council will collect the fees for the parking permits. The Parish Council will need to reclaim this money from the Dorset Council. The Parish Council plan to draft an invitation to tender for the cleaning of the toilets and this will be published in due course.

The National Trust advised that there will not be a Civil War enactment this February half term and therefore there will be no gunshots or firing. James reiterated that for future events the Trust plan to liaise with residents to notify them of any gunfire. From February half term opening times will be extended from a 3.30pm close to a 6pm close, with last entry at 5.30pm. These hours will extend through to October. The Council asked could the hours be extended even further to 9pm in August? This would extend the length of the day in the village; pubs would gain, as would other businesses. James advised he would take this back.

The National Trust would like to request a safety bollard on the corner outside of Dragons Bakery to prevent vehicles damaging the roof of the storeroom. The PC did not object but asked to ensure enough room was left between said bollard and the bollard adjacent to the cross, Cllr Brooks also stated it must allow enough access for emergency vehicles. James will pass this on to the buildings team.

The Council made further plans for the Parish Meeting. The meeting will take a different format this year. The Council have written to groups and associations within the village inviting them to participate in the meeting and have received an excellent response. Thank you to all of you who have responded. The meeting will take place on the 25<sup>th</sup> of March at 7pm in the Village Hall. The Council will be serving refreshments and we hope to see many of you there. Everyone is welcome so please come along.

The Council considered three grant applications and resolved to award £150 each to Harlequin Care, Purbeck Citizens Advise Bureau and The Purbeck International Chamber Music Festival.

The Parish Council considers all planning applications. They had no objection to the replacement of front door (retain frame) and rear door and frame; 3 no windows on front elevation (plus internal cill to front bedroom) and 4 no windows on rear. Strip, re-batten and re-felt 1940's rear lean-to and re-cover with original roofing slates; New guttering to rear first floor and replace existing guttering to lean-to at 14 West Street, Kingston, Wareham. They had no objection to the erection of barn and associated fencing at Little

## CORFE CASTLE PARISH COUNCIL

Woolgarston Farmhouse, Woolgarston however the Council did stipulate that they wished to put a condition on their response that the barn only be used for agricultural purposes. The Council objected to an application to erect an outbuilding and decking in rear garden at The Fox Inn, 8 West Street, Corfe Castle. The objection was made on the grounds that the proposed structure will be for commercial use and situated at a distance from the current commercial premises; this will impact on the tranquillity of the area and could have an environmental impact.

## **MAKE A CHANGE**

### **BECOME A LOCAL COUNCILLOR**

#### **WHAT DO LOCAL COUNCILS DO?**

Your local council has an overall responsibility for the well-being of your local community. Their work falls into three main categories:

- Delivery of services
- Improve quality of life for residents
- Give communities a democratic voice

#### **BECOMING A LOCAL COUNCILLOR**

As a local councillor you can become a voice for your community and make a real change. Councillors are community leaders and represent the interests of the communities they serve.

Local councillors have three main responsibilities:

- Decision-making
- Monitoring
- Getting involved locally

#### **GETTING ELECTED**

To stand for election to a local council you must:

- Be a UK or Commonwealth citizen; or be a citizen of the Republic of Ireland; or be a citizen of another Member State of the European Union
- Be at least 18 years old
- Be an elector of the local council; or in the past 12 months occupied land or other premises in the area the local council serves (as owner or tenant); or work in the area local council serves (as your principal or only place of work); or live within three miles of the local council boundary.

**If you are interested contact the Corfe Castle Parish Clerk on:**

**Also get more information from - [www.nalc.gov.uk/elections](http://www.nalc.gov.uk/elections)**

Local elections are on 2nd May this year and you need to complete the nomination process by 3<sup>rd</sup> April. Papers are available from 18<sup>th</sup> March. Contact the clerk for more information.

## **Changes to your councils in Dorset**

You have probably already heard that local government in Dorset is going through some big changes. On 1 April 2019 the county's nine councils will be replaced by two entirely new organisations:

- Dorset Council, and
- Bournemouth, Christchurch and Poole Council

The new Dorset Council will replace the existing district and borough councils (East Dorset, North Dorset, Purbeck, West Dorset, Weymouth and Portland) and Dorset County Council, all of which will cease to exist. From April 2019 Dorset Council will deliver your local services, working in partnership with parish and town councils.

#### **Why the councils are changing**

There are several reasons why we're coming together as one Dorset Council:

1. to protect important services for residents including bins, housing, road maintenance, schools and social care
2. to reduce costs and give better value for money and cutting duplication
3. to give Dorset a stronger voice nationally which will help attract business investment and government funding and support local economic growth

#### **How the changes may impact you**

Although it sounds like a big change, you shouldn't notice any major changes to the council services you get from 1 April. For example, your bin day will stay the same, you'll be able to park in the same car parks and we'll continue to maintain roads and public spaces as normal. We issued a perception survey to local residents to find out what you know about Dorset Council and how the changes might affect you. Based on that survey we've compiled a number of answers to commonly asked questions that we know you have been asking. Visit <https://www.dorsetforyou.gov.uk/your-council/about-your-council/dorset-council/your-questions-answered.aspx>

#### **How do I get involved?**

We are setting up a new People's Panel to help residents have their say on council services and plans. There will be different ways you can get involved including online surveys and focus groups. If you would like to join this panel, please provide Dorset Council with your details. Go to: <https://www.snapsurveys.com/wh/s.asp?k=154625957462>

## NEWS FROM CHURCH KNOWLE PARISH COUNCIL

February's meeting was held at Church Knowle Reading Room. This was a "Mini" meeting which primarily discussed planning and financial matters.

However, some items were held over from January's meeting and these included a report on the environmental project to improve the upper stretches of the Corfe River. Two Councillors had been acting as liaison for the Council with Dorset Wildlife Trust and other "stakeholders" in the project which had initially been suggested by the Parish Council about 18 months ago. CKPC has been concerned about lack of progress in starting the project and this concern had been expressed by the two liaison Councillors concerned. One of the Members reported that he had decided to "call it a day" as far as the project was concerned because of his frustration in being unable to see any real progress in the development of the project and the fact that the funds which had been allocated by the Environment Agency to carry out environmental improvements as a result of contamination of the Tollbar River and tributaries seemed to have been allocated also to DWT projects outwith the Corfe River basin. Members expressed their empathy with the Councillor concerned and disappointment that he had felt the need to resign from that project. They thanked him for all the efforts put in on behalf of the Parish and this was repeated by his colleague liaison councillor.

With regard to planning matters, a tree works application was approved and past planning decisions were noted. There were no new planning applications. The Clerk reported on the continued possible unlawful use of a commercial building in the Parish for residential purposes and the fact that PDC planning enforcement officers had met with the developer concerned. He reported that they had decided to take, temporarily, no action as the occupier had, apparently, advised PDC that he intended to apply for "retrospective planning permission". Members were somewhat aghast and this led to further discussion on PDC's planning department's management of such matters. Luckily, two PDC councillors were present, one of whom is on the Planning Board and Members hoped that both would take the matter up.

The finances were reported to be in good order and invoices were paid.

This now brings me to a very serious matter, that of the Parish Council elections in May. **YOUR PARISH AND PARISH COUNCIL NEEDS YOU.** In May all Councillors will retire and consequently there will be nine vacancies. At present, the Parish Council is one Member short of full council and there have been times when it has been difficult to have a quorate meeting due to illness, etc.. At least two of your Parish Councillors will not be seeking re-election and this figure may increase as the month progresses. It is possible that if another three Members decide not to stand the Parish Council will be in severe difficulty. At the last election, all the Councillors standing for election were elected unopposed because no other Parishioner offered themselves for election. **IF YOU ARE A PRISHIONER OF CHURCH**

**KNOWLE PARISH**, which includes Furzebrook, parts of Grange Road and Bradle as well as Church Knowle village, **PLEASE CONTACT PURBECK DISTRICT COUNCIL AS SOON AS POSSIBLE IF YOU WOULD LIKE TO STAND AS A CANDIDATE FOR CKPC. YOUR PARISH REALLY DOES NEED YOU.**

That was that for the February meeting.

## Corfe Castle Surgery

We would like to send a plea to all our patients. In the last month we had **12 hours and 34 minutes** of missed appointments. These missed appointments put extra pressure on the GP's, Nurses and Phlebotomists as we then have to re-book them into already busy clinics. If you no longer require a pre-booked appointment we would appreciate you cancelling this as soon as possible.

As our list size continues to increase, the demand for prescriptions also increases. We are now dispensing over 5000 items per month.

We now must insist on at least **3 working days – i.e. 72 hours** notice from the time you place your order to collection time. This will help ensure the smooth running of the dispensary. Your understanding would be greatly appreciated by us all.

This year, Good Friday is the 19<sup>th</sup> April and Easter Monday the 22<sup>nd</sup> April. Please ensure you have enough repeat medication for the long weekend and also put in any medication requests bearing in mind these additional closures.

And finally we are working towards setting up a 'Lindsay leg club' within the Purbeck locality. This will take place once a week within a community setting for patients with leg ulcers and for patients that now have healed leg ulcers. We are looking for volunteers to establish a committee to help run this club. For more information on what it entails please visit the website <https://www.legclub.org/>. If you are interested in volunteering please e-mail [corfecastle.surgery@nhs.net](mailto:corfecastle.surgery@nhs.net) or telephone 01929 480441 and ask for Tina.

Many Thanks  
Tina Sturgeon

A REMINDER TO ALL! Please put Thursday 28<sup>th</sup> March at 7.00 pm in your diaries and come to the second of Howard Thomas's series of talks on health issues. The subject of this talk is 'Keeping Healthy on Holiday'.

The speaker, Dr Janice Main, is a retired specialist in Infectious Diseases and was a colleague of Howard's at St Mary's Paddington. A member of the Corfe Surgery team and Howard will also be there to answer your questions- from which inoculations you may need to how to avoid food poisoning!

You are all most welcome and we hope as many of you as possible will come and join us. Don't forget that the talk will take place in the Corfe Castle Club and NOT the Village Hall.

## *National Trust Corfe Castle*

Sales of second hand books are helping to fund conservation projects in Studland this spring.

**National Trust**

Money raised from the sale of books at Grooms Cottage in Middle Beach, Studland, will be used for a new wild flower meadow near Fort Henry and spring bulb planting.

The former home of a groom to the Bankes family, the cottage was turned into a second hand bookshop last summer.

**Grooms Cottage Bookshop. Picture courtesy National Trust.**

It had previously been used by Dorset Police and as a National Trust membership point. You can find it just off the path to Old Harry, opposite Middle Beach car park, where there is currently a spectacular display of snowdrops.

So successful is the venture the Trust

hopes to offer a small seasonal bookshop at Knoll Beach this summer too.

Meanwhile, we are in the process of recruiting volunteers to help at the bookshop and we also welcome donations of unwanted books.

For more information, please contact Den Unsworth on [den.unsworth@nationaltrust.org.uk](mailto:den.unsworth@nationaltrust.org.uk)

Conservation work has been taking place at Corfe Castle after a survey found ivy and other plants posed a risk to the stonework.

Historic building surveyors Philip Hughes Associates said plant roots working their way into the gaps between masonry blocks could, if left unchecked, eventually lead to them becoming unstable.

Specialist contractors Sally Strachey Conservation were called in to remove the plant growth, re-bed loose stones and repoint the affected areas around the bridges leading to the main gatehouse and south west gatehouse.

Repointing means the reapplication of mortar into the joints between blocks of stone or brickwork.

The work is being carried out using traditional techniques and lime mortar similar to that which would have been used in the original construction of the castle during the middle ages.

Lime mortar is made from limestone which has been heated in a kiln until it becomes caustic. It is then combined with water and an aggregate such as sand to form what is essentially a glue.

It is softer than modern mortars and allows for movement in structures without cracking. It is also more porous so that rainwater falling onto the castle can escape through the mortar joints without damaging the stonework.

Like other medieval monuments, Corfe Castle needs regular conservation to prevent damage, decay and the loss of original fabric.

Work in recent years has focused on the walls and towers of the outer bailey and a large section of one of the ‘tumbles’, or stonework which was dislodged

when the castle was partially demolished during the English Civil War.

Major works on the keep and inner ward in 2006-9 won an award from the Royal Institute of Chartered Surveyors for the use of traditional materials and techniques.

The committee were thrilled to see more than half of the members at the February meeting. Presentations and voting took place for the recipients of our charity collection in 2019-20 and an even three-way split meant that Dorset Cancer Care Foundation, Footprints (which assists people when they leave prison) and Purbeck Citizens Advice will share the fund equally in January 2020. This presents the members with a fantastic fundraising incentive for the year and we look forward to building up a good-sized fund to distribute.

Following this, Dr Tracy Crickmore gave a very informative presentation on First Aid. Who would imagine a First Aid session could be presented with such a dash of humour? Tracy kept our attention throughout as she tackled requests from the audience. We were instructed on dealing with nosebleeds, head injuries in children, choking in all age groups, burns, fits, ticks, as well as heart attacks (remember DR ABC - danger, response, airway, breathing and CPR)). Some members practised CPR on the dummy and chatted with Tracy afterwards.

It really was a great turn out with several new members. If you are interested in joining, at £22 per annum, you get 12 meetings and occasional special events as well as access to a walking group, a strollers group, a lunch club, book clubs and the opportunity to make many new friends. Come along to the next meeting as a visitor and chat to us about joining.

*Thanks again to Gill Sellen for this report.*

Members please note – if you have not yet renewed your membership for 2019-20, please do so at the March meeting. Subscriptions, still £22, are now due and the deadline for payment to maintain your membership is the end of March.

**Dates for your diary:**

**5<sup>th</sup> March AGM and a surprise activity!**

**2<sup>nd</sup> April Steps for Stan**

**13<sup>th</sup> April Annual coffee morning/Spring Fair** - a major fundraiser for our 3 charities.

We would be delighted for other community groups to take a table/bring a stall and fill the Village Hall! Please contact any committee member or call Alison on the number below.

Visitors are welcome to attend any two meetings in the year for a small charge of £3. Aquarius meets at the Village Hall at 2pm on the first Tuesday of the month.

### News from the Castle

The daffodils are out and spring is in the air... fingers crossed! Easter is late this year so there is still plenty of time to take advantage of some of our amazing special offers.

We currently have a meal of the day offer on at lunchtimes with **fantastic specials from only £6.95.**

**Wednesday nights** are **Stew and Casserole nights** again only £6.95

**Thursday nights** are **steak nights** with best quality steaks starting at Two for £12.00.

### Notes For The Diary;

**Tuesday 5<sup>th</sup> March** PUB AID ... We are taking part in the **World's biggest quiz!** Raising money for Corfe Castle 1<sup>st</sup> School. Why not come along and join the fun. Tickets are £7.50 each and this includes a cooked supper. Please ring and book your space to help with catering.

**Friday 8<sup>th</sup> March.** We are hosting a "**Swanage Bay Fish Night**". Terry is going to catch it ... Julia is going to prepare it and we are going to cook it! Julia is one of only three women in the country to have received a Master Fishmongers Qualification from Billingsgate. She is hoping to give us a demonstration on the night. We have a few tickets left. (At time of writing) If you like good, fresh local fish ... come and enjoy an evening of fun and gastronomy!

If you have something to celebrate ... we would love to "push the boat out for you" and help you enjoy it!

**Jazz in the Village Hall on 7<sup>th</sup> March**  
**Featuring Ian Millar and Dominic Spencer**

Ian and Dominic have been performing together for a number of years playing melodic improvisation on jazz standards and original compositions. The style of jazz concentrates on developing melodic ideas within the framework of a melody of the tune whilst maintaining the concept and groove behind it. The result is a very accessible melodic style which allows them to explore improvise and develop ideas without losing the essence of each piece of music and to interact together in as creative away as possible. They have had enormous success over many years during the Edinburgh fringe festival with a very successful show jazz at lunchtime. Thousands of people have come to see them perform with many sell-out shows. A number of visitors to the Edinburgh fringe trim all over the world have returned year after year. Based in Edinburgh Scotland the duo has regularly and extensively toured throughout the UK. They have embarked on many Rural tours under their jazz in the village series playing in hundreds of halls often bringing jazz for the first time to remote communities performing in intimate settings to appreciative audiences the beautiful Scottish scenery that they have seen on their travels has inspired the writing of many pieces of music by Ian. Ian and Dom have also performed in a number of festivals, including, the Edinburgh and Glasgow jazz festivals as well as throughout the UK. Spring is in the air – and the sea!

As we are busy this month making final preparations at the Fine Foundation Wild Seas Centre for our seasonal opening on 1<sup>st</sup> April, there is also lots of activity going on beneath the waves. You may have noticed the large Seawash Balls washed up on our beaches along the coast. These are the egg masses of

Common Whelks which live on the seabed and get together to produce their tens of thousands of eggs in these strange structures. They look a bit like bubblewrap rolled into a ball and are made up of numerous semi-transparent, lens-shaped pouches stuck together. Inside are tiny yellow eggs. Most of these are unfertilised and merely serve as a food source for the few animals

that hatch from the fertilised eggs. Once hatched, or sometimes after very stormy weather, the egg cases wash ashore. In days gone by, sailors used them as sponges for washing – hence the name Seawash Balls. If you spot these while out for a beach stroll, please let us know when and where, perhaps with a photo. We are looking for records of these eggs to let us know where along the coast Common Whelks are breeding. Send your sightings to [kimmeridge@dorsetwildlifetrust.org.uk](mailto:kimmeridge@dorsetwildlifetrust.org.uk)

The Wild Seas Centre is open daily from 1<sup>st</sup> April until beginning of November, 10.30am to 5pm.

Our 2019 programme of events kicks off with a **Rockpool Ramble** at Kimmeridge on 6<sup>th</sup> April and our spring **beach clean** at Worbarrow Bay on 7<sup>th</sup> April, with other events during the Easter school holidays. Last year you all pulled together & we had a fantastic sunny day in the castle.  
Whilst we cannot guarantee the weather we do now need to keep it going  
and try to improve on last year.

Margaret Green Animal Rescue are already booked to run a dog show this year.  
But we really need some more groups to provide some extra  
entertainment or demonstrations during the day.  
So come on – what could your group do to show off their skills?

If you do not get any emails from us already and want to know what is going on,  
or have any good ideas or want to offer some help then please  
contact one of us with your details.

## The Reverend Ian Jackson writes:

In the last CVN and this one you're able to read about the Lent project which St Edward's is organising along with the School, Brownies and others. It is all about using our gifts and talents productively. We hope to raise funds to be shared between looking after the church building and a charity chosen by the children and young people. As is already being discovered the project is leading to lots of other good things. We are getting to know each other, learning about each other's talents and benefitting from them.

Christian faith sees the creation, life itself and the gifts we each receive as being gifts from God. As always when we are talking about God and faith we are using picture language. It is not that literally we are in a queue receiving gifts, handed out by God. But we are very aware of how much we receive, in so many ways; this strengthens our faith in God.

When someone gives a gift they hope it will be enjoyed and used in a good and productive way. However, when we give, we give away; we cannot control what happens thereafter. All the more so with God. And yet, it is clear through the scriptures and the prayerful experience of Christians down the ages that God longs for us to value and appreciate all that we receive.

Lent can initially appear negative. At best it is a positive time, when we discover more about ourselves, each other and the whole of creation. As well as our own project the 3 bishops of our Salisbury Diocese are offering us all a gift this Lent. It is a small booklet to use each day for prayer, reflection and possible actions. Copies will be available in the churches. You can also find the material on the diocesan web site. Do ask if you need help with obtaining the material.

May Lent be a good and positive time leading us to a joyful Easter.

Ian

**LENT**

***CORFE'S GOT TALENT!***

**Rather than 'giving something up' for Lent this year, why not 'take something up' instead?**

St Edward's Church, based on Jesus' story of the Talents (Matthew 25:14-30) challenges you to receive £5 (apply to [dawn\\_lindsay@btinternet.com](mailto:dawn_lindsay@btinternet.com)) and increase it as much as possible by doing what you are best at to make money.

The Reverend Anne Bond offers you:

***GET YOUR WRITING INTO PRINT!***

To all would-be writers out there: write a story or a poem of not more than one thousand words and email it to [rev.anne@outlook.com](mailto:rev.anne@outlook.com) (*deadline Good Friday 19<sup>th</sup> April, and put 'Corfe's Got Talent' as the subject*) to be printed in an A5 Booklet and sold at the various church and village events such as the May Fair and Church Fete between Easter and the end of summer. Stories and poems can be about anything you like, and in any form. Just ***GET WRITING!***

All the money raised by this and all the other Lent activities will be divided between a charity chosen by the young people of the school, and the church.

**St. Edward, King & Martyr - Electoral Roll Revision**

The annual revision of the Electoral Roll is due. Anyone who is **not** on the current Roll and who might wish to be added, should contact the Electoral Roll Officer to obtain a form. Also, if you think there may be anyone on the current Roll who has moved or passed away, please let me know, as I may not have been informed.

All forms have to be returned by 10<sup>th</sup> **March**, at the latest, in order to be included in the revised Roll for 2018.

Anyone may enrol provided that they are baptised, live in the area, or are regular worshippers here and are 16 or older.

Please contact me on **480925** for a form. Joy Carter

**CORFE'S GOT TALENT!**

You may have read in the last issue of the CVN about St Edwards 'Lent Talents' idea. As Lent approaches we, at St Edwards, are going to offer the opportunity to 'Take up something' for Lent and are basing it on the Parable of the Talents. We know there are plenty of talented people in Corfe and beyond, and thought it would be a good way to raise money and also have fun.

You can apply for up to £10 from the church in order to get started (e.g buying seeds, cake ingredients, car washing sponges) and then on Easter Sunday you would bring whatever money you have made, along with the original investment, to be put into a special Easter collection. Of course, you may decide you do not need the starter money, but it is there if needed.

There will be a table each week in church after the service so people can sell their wares and also at the church coffee morning in the Village Hall on 30<sup>th</sup> March. Some people may not be able to give their money in at Easter (for example if they are growing plants) but that is fine and it can be collected later.

We hope plenty of you will take part and we look forward to seeing all the varied ideas people come up with!

**UPDATE:**

The school children have come up with lots of ideas and we have offers that range from getting a short story published, sewing alterations, handmade cards, marmalade, dog walking and simple lunches. The list keeps growing and will be in church and on the church noticeboard from the end of February so you know what is on offer! Feel free to join in either by offering a talent or making use of someone else's talent.

The proceeds will be split between funds for St Edwards and whatever the young people choose as a charity.

Please contact Dawn Lindsay for further information or to take part.

## WHY SOME PEOPLE FIND GOING TO CHURCH ON MOTHER'S DAY SO HARD

***'We who are strong have an obligation to bear with the failings of the weak, and not to please ourselves'*** Romans 15:1

Every year there are people all over the country who decide not to go to church on Mothering Sunday (and other Sundays) because they believe their story doesn't belong there. I know the history of Mothering Sunday, but it doesn't make the day any less painful and it often doesn't seem to have much impact on the message preached by churches either. Sometimes their actions embarrass, hurt, confuse or alienate not only non-mothers but also mothers. As a result, many churches question whether to mark Mother's Day... They don't want to harm anyone in their congregation or make them feel unwanted, unloved, uncomfortable or less than...

Mother's Day is a special day to spoil mums and grandmothers, but it can also be a painful day for many women. Instead every year those grieving the loss of a mother, those living through the struggle of infertility, those who have lost children, those who are single and long to be married with a family and those who were hurt by or never met their mother, may not be at a church Mothering Sunday. So how can the church be thankful for Mothers whilst also respecting the feelings of other people in the congregation? We should plan with sensitivity! At Church we should talk about ALL the special women in the children's life. Provide pre-printed cards for everyone.... to Mum, to Aunt, to Mrs ..... reminding the children, that they are very loved by God and by men and women in their lives and that Mother's Day is another day to love and be thankful for those who take care of us. Make it a blessed day for everyone.

Mothering Sunday is historically seen as an opportunity to celebrate and of course the church should celebrate but joy should not trump grief, nor the celebration of the majority ignore the pain of the minority. The Church is also called to rejoice with those who mourn throughout the year and not just on special occasions.

I will go to church, not because I have had a change of heart but because Christ has opened up the Kingdom of Heaven to the outsider, the grieving, the childless, the orphan.

Our culture is one of the worst in history at expressing grief and articulating struggle, but I believe the church has a gift to offer our communities in providing them the space to grieve as well as rejoice. In fact, I am more convinced of the good news of the Gospel than ever because of what the Eternal story of God and His people has taught me about grief and lament as well as joy and gratitude.

Mother's Day can be a sensitive holiday for many, particularly if you are longing to be a mum. The holiday can be a painful reminder of a missing piece of your life. Let us celebrate all women this Mother's Day whether they be married or not. Mothering isn't only for those who have a child. Motherhood is its own mission field and no one is disqualified from serving.

For Mother's Day and Father's Day, for those who are desiring children, it's important for church leadership to recognise that there could be people who are hurting in their congregation.

Let us celebrate all women this Mother's Day.

***'But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control'..... Galatians 5:22-23a***

## Notices and Thanks

### Corfe Castle Gardening Club

February is often such a dreary month, a come down after the frivolities and festivities. However, not if you attend the Corfe Castle AGM and Quiz! Good humoured competition to answer Rob and Jim's testing questions. Here's a sample – you have to imagine the pictures: A bottle of fizzy wine being poured into a slim glass, followed by a Kangaroo and the pointy bit of a large fishing hook. Two word name of a garden vegetable. Don't crumble at the thought of taxing your brain.\*

Our thanks, as ever, to our clever quiz masters for the questions and the graphics – and the fun!

March 7<sup>th</sup>: Patti Sandham will talk about 'Bees, Pollination and Liquid Gold'

Thinking about Bees – and we all should, for without them it is estimated that the human race would die out very quickly – have you also thought about how many other Pollinators help us in the garden? The hover flies that want to share our cool drinks on a lazy summer afternoon on the lawn are not pests but valuable friends.

On April 4<sup>th</sup> Katie Wilkinson of Dorset Wildlife Trust (DWT) will tell us how to 'Get Dorset Buzzing'. It's about the new DWT project to encourage people to make their gardens more pollinator-friendly.

Did you see the fascinating snippet on South Today recently about Keyneston Mill. An estate growing plants for their perfume qualities? Fiona is already working on getting us a tour in July. Watch this space for further details, better still come to the meetings and hear about it.

7.45 for 8pm talk at the Corfe Castle Club, upstairs. Bring up a drink from the bar if you wish. All welcome, Membership a MASSIVE £5.00 per year!

Enjoy your life: Loving, Investigating, Varied, Exciting! *David*

## Harman's Cross Movie Night

On Tuesday 12 March we're showing Peterloo at 7.30 in Harman's Cross Village Hall. The last Mike Leigh film we showed was Mr Turner and he, yet again, shows his skill in directing historical dramas in this his latest film. It is a dramatisation of the circumstances leading to the Peterloo Massacre of 1819, in which a crowd of 60,000 protesting for better political representation at St Peter's Field in Manchester were attacked by the cavalry, leaving 15 dead and 700 injured. Peterloo was eventually the seed of reform inspiring a new wave of national journalism, and latterly The Guardian newspaper. (No doubt you will have your own view whether that was a good or bad thing). The American Revolution had shown that defeating the British government was possible so having seen this and the Revolution across the Channel, suppression by those in power was driven by fear. These were people suffering hunger, because corn law tariffs had barred imports of cheap grain from the continent (sound familiar?). Starring Rory Kinnear, Maxine Peake, and Tim McInnerny, Leigh has created a film that is complex, rousing and rewarding. Tickets £5 on the door, which will open, along with the bar, at 7pm.

### Langton Arthouse Cinema

In April we're screening In The Fade on Wednesday 3 at 7.30 in Langton Matravers' Village Hall. This German thriller is about the dangerous rebirth of far-right extremism in modern Europe. Katja is a wife and mother living in Hamburg, who loses both her husband and six-year-old son to a bomb blast. It has all the hallmarks of a racially targeted attack, on the basis of her husband's Muslim heritage, and Katja finds herself in the position of not only being widow but later a key prosecution witness in the ensuing trial. Not long before the bomb went off, she noticed a young woman leaving a bike outside her husband's business. The box on it rack housed the explosives and Katja's testimony is key to catching the suspects. The trial develops differently from the way Katja had hoped and the defence lawyer manages to settle the case in favour of the defendants. After a time of mourning and injustice, Katja seeks revenge. In German with English subtitles. Tickets £5 on the door, which will open at 7pm. Glasses will be supplied should you wish to bring your own drink with you. If you would like to see trailers for this and future films visit [www.LangtonArthouseCinema.co.uk](http://www.LangtonArthouseCinema.co.uk).

### Worth Matravers Film Club

The film, "C'est la Vie", will be shown at Worth Matravers village hall on Wednesday March 20th. It tells us about how everything can go wrong for a beleaguered wedding planner, Max, who is attempting to micromanage a lavish 17th century chateau wedding between Helena and Max, while keeping control of his battalion of catering and serving staff and musicians.

This film is light-hearted and fun, it works like a charm and will make you laugh and smile.

There will also be a short film chosen from the Purbeck film festival archive. Tickets are £5 at the Village Hall door, arrive at 7H00 for refreshments and the film starts at 7H30.

### **'Melodies for Memories'**

Music has proven to be beneficial for retaining memory in later life.

'Melodies for Memories' is an informal and fun music group for anyone who enjoys music, and who is affected by memory.

The group is led by someone who has experience of using music to benefit people with memory difficulties, and the group will give people with memory loss and their families/carers, the opportunity to meet others who share an enjoyment for music. You **don't** need to be able to sing or play any instruments.

**The sessions** will include a range of music activities that benefit people who are affected by memory loss, including: basic memory exercises, singing along to popular and familiar songs, watching musicians performing, film clips, fun quizzes and much more! **Tea, coffee and treats included.**

## 'Any Questions?'

Friday 8<sup>th</sup> March 2019

*'How can I believe in a God who allows suffering?'*

Discussion introduced and led by

### **Justin Brierley at Swanage Methodist Church - 7.30pm**

In a recent viral online video, actor Stephen Fry denounced God as an 'evil maniac' because of the suffering in the world. So is Stephen Fry correct? Or is there a better way to understand God, evil and us?

Justin Brierley has been engaging with objections to God for over 10 years and he still believes we can trust in a good God, despite the pain we see in the world around us. Come and find out why!

Justin is Theology & Apologetics Editor for Premier Christian media and presenter of weekly faith show 'Unbelievable?' on Premier Christian Radio - also a popular podcast around the world. He is also the author of the book *Unbelievable? Why, after ten years of talking with atheists, I'm still a Christian* (SPCK). Refreshments from 7.00pm – all welcome – admission free!

### **VOLUNTEERS NEEDED TO LISTEN TO CHILDREN READ**

#### **IN LOCAL PRIMARY SCHOOLS**

Can you spare an hour or two a week to listen to children read in a local primary school? Schoolreaders has recently

launched into Dorset and is looking for volunteers to carry out this important role.

Reading time for many children at home and at school is often insufficient and one in four children are now leaving primary school unable to read to the required standard. This can have lifelong consequences. No qualifications are necessary, just a good command of spoken and written English.

Schoolreaders is flexible and will match your availability to an appropriate, local school. Our volunteers find the scheme incredibly rewarding, knowing that a few hours helping a child learn to read each week can have such a great impact on their life chances.

**Please visit the website [www.schoolreaders.org](http://www.schoolreaders.org) to join or call 01234 924111 for further information.**

## Sculpture & Stone Carving Lessons, Corfe Castle, Dorset

19th, 20th, 21st and 22nd April 2019

(Easter weekend)

10am – 4pm

Suitable for Beginners & Intermediates

**Join Jonathan Sells for 1, 2, 3 or 4 days of practical, friendly stone carving tuition, enabling you to create your own relief carving.**

Each session takes place at Sandy Hill Studios, Corfe Castle BH20 5JF

What do the stone carving lessons include?

Using a flat piece of Portland stone, you will create a relief sculpture to take home with you. If you book in for more than one day of lessons you will continue with this the next day, or start a bigger piece.

Each day starts with a short Health & Safety briefing to ensure students are clued up before enjoying the session. This is followed by an introduction to stone carving techniques, tool use, and the properties of stone. Then you will carry out 3 useful exercises in the morning and will be able to carve your piece in the afternoon.

Jonathan provides all the tools and stone required for sessions, along with protective eyeglasses.

*N.B. It is recommended **not** to wear your favourite items of clothing for the workshops, as stone carving can become very dusty. Wearing sensible hardy footwear is a good idea to increase safety regarding sharp tools and heavy stone.*

You may choose to carve something on an Easter or springtime theme such as Easter eggs, bunnies, flowers e.g. daffodils or tulips, or perhaps a religious image. Jonathan will provide some pictures, and some simple templates for those who might feel less confident at copying a drawing onto the stone. Alternatively you may have something specific in mind that you would like to carve, so feel free to bring your own images.

For a one day course the image for the centre of the stone slab should be no more than 150mm x 150mm, but can be increased up to 180mm x

280mm for more than one day of carving.

**Children are welcome but should be supervised by an adult. The child fees apply between age 6 (the minimum age) and 15 inclusive.**

**Saturday 20<sup>th</sup> April is Jonathan's birthday – free cake today!**

**Fees:**

**1 Day - £65, child £45**

**2 Days - £115 (save £15), child £80**

**3 Days - £170 (save £25), child £115**

**4 Days - £215 (save £45), child £145**

On your first day, or if you only do one of the 4 available days, you will create a relief stone carving which you will be able to take home with you at the end of the day.

If you book 2 days you will be able to add more detail to your first carving or create a second relief piece.

Over 3 or 4 days you will be able to add finer detail to your existing carvings, produce another, or receive tutoring to create a 3-D carving.

### **About Sandy Hill Studios, Corfe Castle**

Sandy Hill Studios are located in the shadow of Corfe Castle, which is situated in the Purbeck Hills on the route between Wareham and Swanage.

Tea and coffee is provided each day, and there is a communal kitchen area, but bring a packed lunch. Alternatively, there is a bakery and general store in the Village, which is a five minute walk through Corfe Castle's vintage steam railway station.

If the weather is fine you can have your lunch by the stream – who knows, you might even spot a kingfisher or a water vole!

There is limited parking on site, but you can park on the road nearby.

### **Book Your Stone Carving Lessons – Easter 2019**

**Contact Jonathan to book. Payment is by cheque, or bank transfer.**

## Pioneer view

Dear Friends.

I am often asked what a dementia friendly community is and what would you may observe in a dementia friendly community.

To help with this I want to offer the following description of a dementia friendly community:

**‘A city, town or village where people with dementia are understood, respected and supported, and confident they can contribute to community life. In a dementia-friendly community people will be aware of and understand dementia, and people with dementia will feel included and involved, and have choice and control over their day-to-day lives.’**

So, lets unpack this description and consider how we may be growing a dementia friendly community in Corfe Castle

Firstly, it’s a community **‘A city, town or village where people with dementia are understood, respected and supported, and confident they can contribute to community life ‘**

In Corfe Castle we will seek to achieve this in several ways. Our starting point is to begin to raise awareness of Dementia through the dementia friends project. This goes some way to challenging stigma and myths surrounding dementia and help to build bridges as well as promoting inclusion.

We have gone some way to kick start this process. Local business’s in Corfe Castle have completed an environmental audit in relation to identifying how dementia friendly they are in terms of their environment. Following this each business including the local Doctors surgery can now display a window sticker .Do look out for this

We seek to support both those with a diagnosis of dementia as well as those who care for the family member with the diagnosis through what we call radical hospitality, groups and drop-ins

This takes us naturally into the second part of the description

**‘In a dementia-friendly community people will be aware of and understand dementia, and people with dementia will feel included and involved, and have choice and control over their day-to-day lives.’**

This part of the description raises some key actions for our community. Facilitating choice and autonomy whilst promoting inclusion. Often Carers

report feeling isolated and lonely following the family member been diagnosed with dementia. Through our groups and drop -ins we provide doorways and connection back into the community life, thus addressing loneliness and isolation

Go well

## Unlock the equity in your home

Want to travel the world, make those long-overdue home improvements, help children or grandchildren on to the property ladder, or pay off an interest-only mortgage?

If you're a homeowner aged 55 or over, a Lifetime Mortgage could help your dreams to become reality.

With a Lifetime Mortgage you could borrow up to 50% of the value of your property without selling your home, with the loan only repayable upon death or if you move in to long-term care.

And with a 'no negative equity' guarantee there's no risk of leaving a debt to your family.

For friendly and expert advice contact Liz Murley on 01202 622223

A Lifetime Mortgage is a loan secured against your property. To understand the features and risks please ask for a personalised illustration. Apex CB Financial Planning Limited is authorised and regulated by the Financial Conduct Authority and is a member of the Equity Release Council.

The Nations Favourite Locomotive **Flying Scotsman** (owned by the National Railway Museum) is visiting Swanage and will be operating both passenger trains and be on static display:

**Operating Days Friday 22<sup>nd</sup> March**

**to Tuesday 26<sup>th</sup> March 2019 (5 Days)**

Operating services between Swanage and Norden

**Static Display Days Wednesday 27<sup>th</sup> March to Wednesday 10<sup>th</sup> April 2019 (15 Days)**

On static display at Corfe Castle Station

#### **DETAIL**

**Flying Scotsman Operating Days - Friday 22<sup>nd</sup> March – Tuesday 26<sup>th</sup> March 2019**

**Flying Scotsman Operating Hours C09:00 – 18:00, Railway Operating Hours C08:00 – 19:00**

**Flying Scotsman Daily Capacity 1,855 per operating day.**

**Feeder Service Daily Capacity 2,352 per operating day.**

Flying Scotsman will operate 5 services a day each way between Swanage and Norden non-stop. This service will be premium priced, advance booking only and on a round trip basis only.

Flying Scotsman will be hauling Car 14 Pullman Observation Car "The Devon Belle" and 6 carriages. Tickets will include travel on the "**feeder service**" (see below) and access to **viewing areas** (see below)

A steam hauled "**feeder service**" will operate between Norden and Swanage calling at Corfe Castle and Harmans Cross. This service can be used by those booked to travel on Flying Scotsman as well as those wishing to see Flying Scotsman in action (but not travel on it). This service will be priced slightly higher than standard fares and on a round trip basis only. Tickets will include access to viewing areas.

Access to Swanage, Harmans Cross, Corfe Castle and Norden Stations and associated viewing areas will be only permitted to those in possession of a valid travel ticket as above. There is no access to platform or viewing areas only. Herston Halt Station will be closed.

For reasons of safety and security (to prevent ingress) Swanage Station will be screened off with Heras Fencing along the boundary. Some of the entry and exit points will be closed off (except for emergency access). All others will be manned by railway staff. The Birds Nest Buffet, Station Shop and Station Toilets at Swanage will only be accessible to those with a valid travel ticket.

**Flying Scotsman Static Days Wednesday 27<sup>th</sup> March – Wednesday 10<sup>th</sup> April 2019**

**Flying Scotsman Display Hours 10L00 – 17:00 (TBC) Railway Operating Hours 09:00 – 18:30**

Flying Scotsman will be on display in the goods yard siding at Corfe Castle Station.

Visitors to the Swanage Railway can either purchase a combined travel and viewing ticket (for travel on our standard steam service) or a viewing ticket only. Ticket holders will visit Car 14 – the Pullman Observation Coach which accompanied Flying Scotsman in her tour of North America in 1969 – walk through the corridor tender into Flying Scotsman's footplate and then disembark. Flying Scotsman will be in light steam and manned by a crew who will be able to describe her key features and history.

Advance purchase is not required. The numbers accessing Flying Scotsman will be controlled to ensure that visitors have time to view and enjoy this iconic locomotive and Car 14.

#### **Car Parking Availability at Swanage and Norden.**

Given the event is taking place outside of the holiday season, car parking is unlikely to be an issue for booked passengers however at this time we are still estimating how many non-travelling spectators may come to Swanage which may create an issue. There is concern as to how much of Norden Car Park will be available if the weather is inclement in the days preceding the event.

#### **Platform Space at Swanage / Area In Front of Swanage Station.**

To facilitate safe platform use, Swanage Railway would like to be able to use the station forecourt area at Swanage for the purposes of crowd marshalling and holding prior to embarkation. We would like consideration to be given to temporarily moving the bus pick up and drop off points from the station forecourt to Gilbert Road.
